## Heritage Listing of the Rockhampton Botanic Gardens

The Rockhampton Botanic Gardens was heritage listed on 23 July 1999. The State Heritage Register Place ID is 601819 with the land being described as Lot 521 on SP120476. The area of the reserve is approximately 70 ha of which approximately 30 ha have been cultivated.

The Central Queensland War Memorial (The Cenotaph) appears in the heritage listing for the Rockhampton Botanic Gardens as being one of the components of the Gardens. The Cenotaph also has its own separate heritage listing in the state register as Place ID 600818. The listing for the Cenotaph describes the fabric of the memorial as consisting of the obelisk itself as well as those trees and shrubs planted around it.
