10km north of Rockhampton City Centre, Boundary Road, Parkhurst

St Peter's Village Church

For a traditional church ceremony, St Peter's is ideal for small personal weddings or even christenings. You are invited to have your own Priest, Pastor or Celebrant conduct your special occasion in this non-denominational church, and you can chime your own church bell at the end of your ceremony.

Popular outdoor ceremony venues include Rosewood Cottage, the Amphitheatre or Rackermann's Cottage.

Australian Shearing Shed

This huge building is built in the style of a woolshed and is an award-winning popular venue. Seating up to 350 guests comfortably, the Shearing Shed has a stage area with lighting and sound, working fire place, and a fully equipped and licenced bar.

Atmosphere that takes you back in time

Choose from a variety of our popular ceremony and reception venues offering "Old World" charm. Vintage cars, vehicles and horse drawn wagons and buggies are available for hire. Step back in time and have our historical characters in period costume mingle or compere at your function.

Tantalise your tastebuds

The Village kitchen can tailor make a menu for any occasion. Choose from a simple tasty BBQ, traditional country home style meals, or something more formal. The serving of alcohol can be arranged to meet individual needs.

Unique photo opportunities

There is no need to drive "all over the countryside" to get the perfect photographs of your event, with the Village providing a variety of wonderful backdrops. Take advantage of the "Old World Charm" for truly romantic and nostalgic photographs that incorporate the simplicity of the beautifully landscaped gardens.
