## SELF GUIDED TOUR

**Take a trip down memory lane! Marvel at the resilience of our early settlers and how they carved out a life with simple tools and ingenuity.**

**TRAM RIDES** Enjoy a tram ride around the village! Take in the sights from the tram or jump off at our pre-arranged tram stops. This is a great way to view the whole village, without having to walk a great distance.

For groups of 10 paying guests or more, we offer an unguided tram tour for \$7 per person or upgrade to a guided tram tours for \$10 per person. Prices current until 30 June 2023. Price includes general entry to the village before and/or after your tour.

You'll see a number of houses, representing different time frames, along with a church and school to visit. The powerhouse and Menzies Garage are great places for big boy's toys.

**ROSEWOOD HOMESTEAD** The homestead was originally situated near Wycarbah, west of Rockhampton, and was considered to be a showpiece in its time. Some glass panes are original hand poured glass, and press metal used on the walls and ceilings, was imported from England.

**DINGLEY COTTAGE** Local resident Alice Dingley lived in this cottage for more than 70 years, without modern conveniences such as running water and electricity, until her death in 2008.

**COUNTRY HOSPITAL DISPLAY** The display features an iron lung, dentist office, operating theatre, nursery and other medical equipment used in the past. This display has won recognition Australia wide.

**VINTAGE CARS AND MACHINERY** The Heritage Village has a sizeable collection of fire engines, vintage cars and tractors, stationary engines, ploughs, horse drawn vehicles and wagons on display showing how transport evolved over the years.

**CHARLES STREET FIRE STATION REPLICA** See the 'Lex Semple Private Collection' which includes 40 years of historical fire fighting memorabilia and equipment and is one of a kind in Australia.

**ARNOLDS' STORE** Relax at Arnold's and enjoy a Devonshire tea, light lunch or just a good old cup of tea with your friends and family.

**PRINTING WORKS** Admire the early variety of printed items such as soft drink labels, dance cards, circus posters etc. produced by Anderson's Printing Works, established in Rockhampton 1903. The printing presses are still in operation today representing the era before computing.

**DOLL HOUSE** This collection houses over 2000 dolls ranging from celluloid, corn husk, peg, wooden, papier mache, china and more. Some boys toys and 'kid powered' toys are also included in the display.
