

Rockhampton Regional Cemeteries

Rockhampton Memorial Gardens Chapel and Garden Services

The Rockhampton Memorial Gardens Chapel is situated near the main entrance of the gardens. The indoor/outdoor seating arrangement comfortably seats approximately 90 people and can be fully enclosed and air conditioned if required. For larger services, marquees and extra seating can be provided on the lawn areas surrounding the chapel. An addition fee would apply for this service.

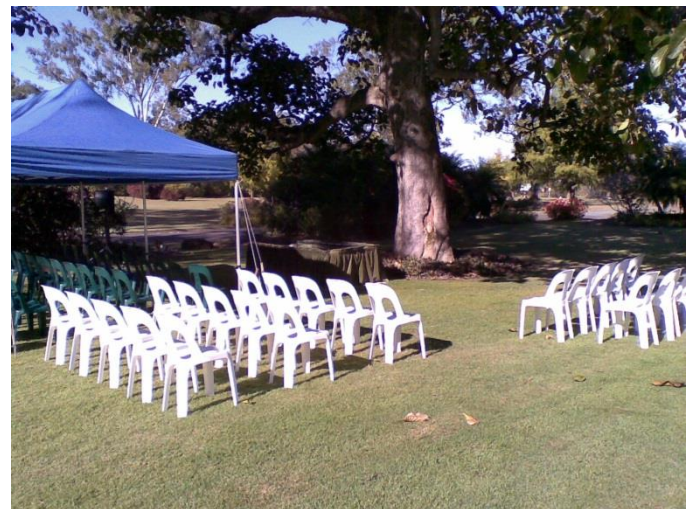

Facilities of the chapel include a P.A. System, Audio sound System (CD, USB, IPOD) with indoor/outdoor speakers. All areas of the chapel are wheelchair accessible, including toilet and bathroom facilities. Ample parking is provided in the car park opposite the chapel. Refer to the Memorial Gardens map for details.

For a small fee, light refreshments of coffee, tea, and biscuits can be provided after the service. Any food or other drinks are to be provided by the family. A kitchen with microwave, fridge, crockery etc is available for this purpose.

GARDEN SERVICES

The Leichhardt Garden includes a lawn area, surrounding a beautiful Leichhardt tree. Chairs and marquees can be set up in this area for an outdoor service. Other areas of the gardens can also be used for this purpose. Please note that power is not available in these areas and a portable power supply would need to be arranged through your funeral director. An extra fee is payable for a garden service.
