## Part 1 Preliminary

### 1 Short title

This local law may be cited as *Local Law No. 1 (Administration) 2011*.

### 2 Purposes and how they are to be achieved

- (1) The purposes of this local law are to provide a legal and procedural framework for the administration, implementation and enforcement of the local government's local laws, subordinate local laws and specified regulatory powers under legislation, and to provide for miscellaneous administrative matters.
- (2) The purposes are to be achieved by providing for—
  - (a) consistent and comprehensive processes for the local government to grant and regulate approvals to undertake prescribed activities; and
  - (b) authorised persons for enforcing local laws; and
  - (c) review of certain decisions made under local laws; and
  - (d) enforcement of local laws; and
  - (e) matters relating to legal proceedings; and
  - (f) miscellaneous administrative matters relating to meetings, fees, abandoned goods and seized and impounded items.

### 3 Definitions—the dictionary

The dictionary in schedule 1 defines particular words used in this local law.

### 4 Relationship with other laws<sup>1</sup>

This local law is—

- (a) in addition to, and does not derogate from, laws regulating land use planning and development assessment; and
- (b) applies to each of the local government's local laws subject to any specific provision in a local law that expresses a contrary intention.

## Part 2 Approvals for prescribed activities

### 5 Meaning of *prescribed activity*

*Prescribed activity* means—

- (a) an activity prescribed in part 1 of schedule 2 and defined in part 2 of schedule 2; or

---

<sup>1</sup> This local law and any subordinate local law made under it do not apply to the extent of any inconsistency with a law of the State or the Commonwealth. See the Act, section 27.

- (b) an activity for which a Local Government Act authorises the local government to grant an approval but does not make any other provision, except provision that is consistent with this part, about the process for the local government to grant the approval.

## 6 Offence to undertake local law prescribed activity without approval

- (1) This section applies to a prescribed activity mentioned in—
- (a) section 5(a); or
- (b) section 5(b) if the Local Government Act that authorises the local government to grant the approval is a local law.<sup>2</sup>
- (2) A person must not undertake the prescribed activity without a current approval granted by the local government.

Maximum penalty for subsection (2)—

- (a) for an activity for which no category has been declared by subordinate local law—50 penalty units; or
- (b) for a category 1 activity—50 penalty units; or
- (c) for a category 2 activity—200 penalty units; or
- (d) for a category 3 activity—500 penalty units.
- (3) However, a local government may, by subordinate local law, declare that subsection (2) does not apply to a prescribed activity or a particular activity that is within the category of a prescribed activity.

*Examples—*

- A subordinate local law may declare that subsection (2) does not apply to installation of a specified type of advertising device (for example, a device prescribed as a ‘permitted advertising device’). These permitted advertising devices would not require an approval under this part but other types of advertising devices would continue to require an approval.
- A subordinate local law may declare that subsection (2) does not apply to the operation of a camping ground that meets certain criteria (for example, less than a certain size or in a particular location) or complies with certain conditions. A person operating such a camping ground would therefore not require an approval under this part.
- A subordinate local law may declare that subsection (2) does not apply to the establishment or operation of a temporary home in a particular part of the local government’s area.

- (4) In this section—

***category 1 activity*** means a prescribed activity that is declared as a category 1 activity by a subordinate local law for this definition.

***category 2 activity*** means a prescribed activity that is declared as a category 2 activity by a subordinate local law for this definition.

***category 3 activity*** means a prescribed activity that is declared as a category 3 activity by a subordinate local law for this definition.

***current approval*** means an approval that is in force and has not been suspended at the time the prescribed activity is being undertaken.

---

<sup>2</sup> For the offence for undertaking a prescribed activity mentioned in section 5(b) without a current approval if the Local Government Act is not a local law, see the relevant Local Government Act that provides for the approval.

## 7 Approvals for prescribed activities to be obtained under this part

An approval required for a prescribed activity must be obtained under this part.

## 8 Form of application

- (1) An application for the local government's approval of a prescribed activity must be made in a form approved by the local government.

*Examples of a form approved by the local government—*

A written form or an online application process.

- (2) The application must be accompanied by—
- (a) documents and materials required under a subordinate local law for this paragraph; and
  - (b) proof that the applicant currently holds any separate approval relating to the prescribed activity that is required under another law; and
  - (c) the prescribed fee.

*Example for paragraph (a)—*

The local government may require an application to include site plans, management plans, relevant consents, evidence of public liability insurance etc.

*Example for paragraph (b)—*

A prescribed activity may require approvals under another Act in relation to development, building, liquor, carriage of goods, business licensing etc.

- (3) The local government may, by written notice, request the applicant to provide further reasonable information or clarification of information, documents or materials included in the application.
- (4) The notice under subsection (3) must state—
- (a) the grounds on which the request is made; and
  - (b) an outline of the facts and circumstances forming the basis for the grounds; and
  - (c) a detailed description of the information requested; and
  - (d) the date, not less than 7 days after the applicant receives the notice, by which the applicant must provide the information.
- (5) If the applicant does not, without reasonable excuse, provide the further information by the stated date—
- (a) the application lapses; and
  - (b) the local government must give the applicant written notice stating that—
    - (i) under this section the application lapses; and
    - (ii) the applicant may make a new application.
- (6) However, the local government may extend the period for the applicant to provide the further information.
- (7) A person must not provide information in or in connection with an application that is, to the person's knowledge, false or misleading in a material particular.

Maximum penalty for subsection (7)—20 penalty units.

## 9 Local government's discretion in granting approvals

- (1) The local government may grant an approval for an applicant to undertake a prescribed activity only if it is satisfied that—
  - (a) if the prescribed activity requires a separate approval under an Act, a law of the Commonwealth or the local government's planning scheme—the separate approval has been granted; and
  - (b) the proposed operation and management of the prescribed activity is adequate to protect public health, safety and amenity and prevent environmental harm; and
  - (c) the grant of the approval would be consistent with the purpose of any relevant local law; and
  - (d) the proposed operation and management of the prescribed activity would be consistent with any additional criteria prescribed for the activity under a subordinate local law for this paragraph; and
  - (e) if the application relates to trust land—the grant of the approval would be consistent with the terms and conditions of the trust; and
  - (f) if the application relates to a prescribed activity mentioned in section 5(b)—the grant of the approval would be consistent with any requirements or criteria specified in the relevant Local Government Act in relation to the approval; and
  - (g) if the prescribed activity is the commercial use of a local government controlled area or road—the grant of the approval is consistent with the objective of the local government of restriction of the commercial use of local government controlled areas and roads, where such activities are permitted, in recognition of the fact that the activities may otherwise enjoy an unfair commercial advantage over competitive activities conducted from fixed premises in the local government area for which rates and other charges are paid, and to which planning and other regulatory legislation applies.

*Example for paragraph (a)—*

An application for commercial use of a local government controlled area that is held in trust by the local government under the *Land Act 1994* may require registration of a trustee lease or issue of a trustee permit prior to the approval being granted for commercial use of the area.

- (2) The local government may, by written notice to the applicant—
  - (a) grant the approval unconditionally; or
  - (b) grant the approval subject to conditions determined in accordance with section 10; or
  - (c) refuse to grant the approval.

*Examples for paragraph (b)—*

- If an application for which the local government's approval is required may result in damage to property, the local government may, as a condition of giving its approval, require the applicant to give reasonable security (which may include a deposit of money, a guarantee or an insurance bond) to ensure that the damage is made good.
- The local government may grant an approval subject to the standard conditions imposed on the approval pursuant to a subordinate local law made under section 10(3) of this law.

- (3) However, the local government's powers in deciding the application are subject to the provisions of any relevant local law.

- (4) The local government must give the applicant an information notice if the local government—
  - (a) refuses to grant the approval; or
  - (b) grants the approval subject to a non-standard condition.
- (5) In this section—

**non-standard condition** means a condition that is not prescribed under section 10(3) as a condition that must be imposed on an approval or that will ordinarily be imposed on an approval.

## 10 Conditions of approval

- (1) An approval may be granted on conditions the local government considers appropriate.
- (2) However, the conditions must—
  - (a) be reasonably necessary to ensure that the operation and management of the prescribed activity will be adequate to protect public health, safety and amenity and prevent environmental harm; and
  - (b) be consistent with the purpose of any relevant local law; and
  - (c) if the approval is for a prescribed activity mentioned in section 5(b)—be consistent with any requirements or criteria specified in the relevant Local Government Act in relation to the approval; and
  - (d) not conflict with the conditions of any other relevant approval issued under an Act; and
  - (e) require the approval holder to notify the local government in writing of a suspension or cancellation of a relevant approval for the prescribed activity under an Act within 3 days of the relevant approval being suspended or cancelled.
- (3) Subject to subsection (2), the local government may, by subordinate local law, prescribe conditions that must be imposed on an approval or that will ordinarily be imposed on an approval.
- (4) To remove any doubt, it is declared that a condition of an approval may authorise an act or omission that—
  - (a) contravenes a noise standard; or
  - (b) causes an environmental nuisance.<sup>3</sup>

*Example for paragraph (a)—*

A condition of an approval for operation of a temporary entertainment event may authorise the operation of an amplifier device at specified times that would otherwise be a contravention of the noise standard in the *Environmental Protection Act 1994*, section 440Y.

- (5) In this section—

**environmental nuisance** see *Environmental Protection Act 1994*, section 15.

**noise standard** see *Environmental Protection Act 1994*, section 440K.

---

<sup>3</sup> See *Environmental Protection Act 1994*, schedule 1, section 3(b).

## 11 Compliance with conditions of approval

- (1) A holder of an approval must ensure each condition of the approval is complied with.

Maximum penalty for subsection (1)—50 penalty units.

- (2) For a prescribed activity mentioned in section 5(b), this section does not apply if the Act that provides for the local government to grant an approval stipulates a penalty for contravening a condition of the approval.

## 12 Third party certification

- (1) In deciding an application under this part, the local government may accept the certificate of a third party certifier as evidence about any application requirement that is mentioned in a subordinate local law for this subsection.

*Example—*

A subordinate local law under section 9(1)(d) might specify that a criterion to be met by applicants for approval to operate a public swimming pool is a management plan that complies with the Royal Life Saving Society's *Guidelines for Safe Pool Operation*. A subordinate local law under the current section could state that compliance with this requirement is a matter about which a third party certifier may provide certification. In deciding an application, the local government may then accept a certificate of a third party certifier (approved under a subordinate local law pursuant to subsection (2) – e.g. the Royal Life Saving Society) as evidence that this requirement has been met.

- (2) In this section—

***third party certifier*** means—

- (a) an individual or organisation declared under a subordinate local law for this paragraph as a third party certifier for particular application requirements; or
- (b) an individual or organisation that has the qualifications prescribed under a subordinate local law for this paragraph as necessary to provide a certificate about particular application requirements.

***application requirement*** means a matter that the local government must be satisfied about, or have regard to, before granting an application for approval for a prescribed activity.

## 13 Term of approval

Unless sooner cancelled or suspended, an approval remains in force for—

- (a) the term provided for the prescribed activity under a subordinate local law for this paragraph; or
- (b) if there is no term provided for under a subordinate local law—the term specified in the approval.

## 14 Renewal of approval

- (1) An approval holder may, before the end of the term of the approval, apply to the local government to renew or extend the approval for—
  - (a) a further term provided for the prescribed activity under a subordinate local law for this paragraph; or

- (b) if there is no term provided for under a subordinate local law—a further term equal to the current term of the approval.
- (2) However, an approval holder may not apply to renew or extend the approval where the local government has given the approval holder reasonable written notice that the approval is one of a class of approvals that the local government does not intend to renew or extend.

*Example—*

The local government might give notice to the approval holder that, in order to prevent environmental harm to an endangered ecosystem, it does not intend to grant, renew or extend any approvals for the prescribed activity in a specified part of the local government area.

- (3) The application under subsection (1) must be—
- (a) made in a form approved by the local government; and
  - (b) accompanied by the prescribed fee.
- (4) The local government may, by written notice, request the applicant to provide further reasonable information or clarification of information, documents or materials included in the application.
- (5) Section 8(4) to (7) applies to the notice as if it was a notice under section 8(3).
- (6) The local government may, by written notice to the applicant—
- (a) grant the application; or
  - (b) grant the application and amend the conditions of the approval; or
  - (c) refuse the application.
- (7) In deciding under subsection (6), the local government may have regard to—
- (a) the matters mentioned in section 9(1); and
  - (b) whether the conditions of the approval are being complied with by the applicant.
- (8) The local government must give the applicant an information notice if the local government—
- (a) refuses the application; or
  - (b) grants the application and amends the approval to include non-standard conditions; or
  - (c) grants the application for a term less than the current term of the approval.
- (9) The local government may amend the conditions of the approval under subsection (6)(b) without following the procedure in section 18.
- (10) If an approval holder applies to renew or extend the approval, the approval remains in force until—
- (a) if the application is granted, with or without amendment of the conditions—the date the application is granted; or
  - (b) if the application is refused and the applicant applies for a review of the decision under part 4—the date the applicant is given notice of the review decision; or
  - (c) if the application is refused and the applicant has not applied for a review of the decision under part 4—14 days after the applicant is given an information

notice under subsection (8).

## 15 Transfer of approval

- (1) The holder of an approval together with another person may apply to the local government for transfer of the approval to the other person (the *proposed transferee*).<sup>4</sup>
- (2) However, an approval cannot be transferred under this section if it is of a category declared as non-transferable under a subordinate local law for this subsection.
- (3) The application under subsection (1) must be—
  - (a) made in a form approved by the local government; and
  - (b) accompanied by the prescribed fee.
- (4) The local government may, by written notice, request the applicant to provide further reasonable information or clarification of information, documents or materials included in the application.
- (5) Section 8(4) to (7) applies to the notice as if it was a notice under section 8(3).
- (6) The local government may grant an application to transfer an approval only if it is satisfied about the matters mentioned in section 9(1).
- (7) The local government may, by written notice to the approval holder and the proposed transferee—
  - (a) grant the application to transfer the approval; or
  - (b) refuse the application to transfer the approval.
- (8) If the local government decides to grant the application to transfer the approval, the local government may amend the existing conditions of the approval.
- (9) The local government may amend the conditions of the approval under subsection (8) without following the procedure in section 18.
- (10) The local government must state, in the notice given under subsection (7)(a), any amendments to the conditions of the approval and the day that they take effect.
- (11) The local government must give the approval holder and the proposed transferee an information notice if the local government—
  - (a) refuses the application; or
  - (b) grants the application and amends the approval to include non-standard conditions.

## 16 Amending conditions at request of approval holder

- (1) An approval holder may apply to the local government to amend the conditions of the approval.
- (2) The application must—
  - (a) be in writing and state—
    - (i) the proposed amendment; and

---

<sup>4</sup> See the Act, section 97, for the power of a local government to fix cost-recovery fees for approvals.

- (ii) the reasons for it; and
  - (b) be accompanied by the prescribed fee.
- (3) The local government must consider and decide whether to grant or refuse the application.
- (4) If the local government decides to amend the conditions as requested, the local government must, within 14 days of the decision, give the approval holder written notice of the amended conditions and the day that they take effect.
- (5) If the local government refuses to amend the conditions, the local government must give the approval holder an information notice.
- (6) The local government may amend the conditions of the approval under this section without following the procedure in section 18.

## 17 Grounds for amending, suspending or cancelling approval

Each of the following is a ground for amending, suspending or cancelling an approval—

- (a) amendment, suspension or cancellation is necessary—
  - (i) for the protection of public health or safety; or
  - (ii) to prevent environmental harm; or
  - (iii) to prevent property damage or loss of amenity; or
  - (iv) to allow for works on roads or local government controlled areas; or
  - (v) to improve access to a road; or
  - (vi) to improve the efficiency of vehicle or pedestrian traffic.
- (b) another approval required for the prescribed activity under an Act has been suspended or cancelled;
- (c) in undertaking the prescribed activity, the approval holder has failed to comply with a local law or an Act;
- (d) the approval holder has failed to comply with a condition of the approval;
- (e) the approval holder has failed to comply with a notice under sections 26 or 27 that relates to the conduct of the prescribed activity or has failed to comply with a stop order under section 29;
- (f) the approval was granted because of a document or representation that was—
  - (i) false or misleading; or
  - (ii) obtained or made in another improper way.

## 18 Procedure for amending, suspending or cancelling approval

- (1) This section applies if the local government considers there is a ground under section 17 to amend, suspend or cancel an approval (the *proposed action*).
- (2) Before taking the proposed action, the local government must give the approval holder a written notice (the *show cause notice*) stating—

- (a) the proposed action; and
  - (b) the grounds for the proposed action; and
  - (c) an outline of the facts and circumstances that are the basis of the grounds; and
  - (d) if the proposed action is suspension of the approval, the proposed suspension period; and
  - (e) that the approval holder may make written submissions, within a stated reasonable time of at least 21 days after the notice is given, why the proposed action should not be taken.
- (3) If, after considering all submissions made within the stated time, the local government decides that a ground no longer exists to cancel, amend or suspend the approval, the local government must take no further action about the show cause notice and give written notice to the approval holder about the decision.
  - (4) If, after considering all submissions made within the stated time, the local government still considers there is a ground to take the proposed action, the local government may—
    - (a) if the proposed action was to amend the approval—amend the approval; or
    - (b) if the proposed action was to suspend the approval—suspend the approval for no longer than the period stated in the notice; or
    - (c) if the proposed action was to cancel the approval—amend the approval, suspend it for a period or cancel it.
  - (5) If the local government decides to amend, suspend or cancel the approval, the local government must give the approval holder an information notice.
  - (6) The decision takes effect on the day the written notice mentioned in subsection (3) or (5) is given to the approval holder, or if a later day of effect is stated in the notice, the later day.
  - (7) This section does not limit the power a local government may have apart from this section to amend, suspend or cancel an approval.

## **19 Procedure for immediate suspension of approval**

- (1) Despite section 18, the local government may immediately suspend an approval if the local government believes that continuation of the prescribed activity by the approval holder poses—
  - (a) an urgent and serious threat to public health or safety; or
  - (b) an urgent and serious risk of environmental harm, property damage or loss of amenity.
- (2) The suspension—
  - (a) can be effected only by the local government giving a notice to the approval holder about the decision to immediately suspend the approval, together with a show cause notice about proposed action under section 18; and
  - (b) operates immediately the notices are given to the approval holder; and
  - (c) continues to operate until the earliest of the following happens—
    - (i) the local government cancels the suspension;

- (ii) the local government gives the approval holder notice under section 18(3) or (5) of its decision about the show cause notice;
- (iii) 14 days have passed since the expiry of the stated time for the making of written submissions regarding the show cause notice;
- (iv) 14 days have passed since the approval holder notifies the local government that it has made its final written submissions regarding the show cause notice.

## Part 3 Authorised persons

### 20 Appointment

An authorised person's instrument of appointment<sup>5</sup> must state the local laws, or the provisions of local laws, for which the person is appointed as an authorised person.

### 21 Threatening etc an authorised person<sup>6</sup>

## Part 4 Review of decisions

### 22 Application for review

- (2) The application (a *review application*) must be made within 14 days of—
  - (a) if the person is given an information notice for the decision—the day the person is given the notice; or
  - (b) if paragraph (a) does not apply—the day the person otherwise becomes aware of the original decision.
- (3) However, the local government may, at any time, extend the time for making a review application.
- (4) The review application must be in writing and—
  - (a) accompanied by a statement of the grounds on which the applicant seeks the review of the decision; and

- (4) If the review decision is not the decision sought by the applicant, the review notice must also state the reasons for the review decision.
- (5) If the local government does not give the review notice within the 5 days, the local government is taken to have made a review decision confirming the original decision.

### **24 Stay of operation of original decision**

- (1) A review application does not stay the original decision that is the subject of the application.
- (2) However, the applicant may, immediately after being given the information notice about the original decision, apply to the Magistrates Court for a stay of the original decision.
- (3) The court may stay the original decision to secure the effectiveness of the review.
- (4) A stay may be granted on conditions the court considers appropriate.

### **25 Production of records**

- (1) This section applies where an authorised person has entered a property under the Act to find out whether the conditions of an approval have been complied with.<sup>9</sup>
- (2) The authorised person may require the occupier of the property or another relevant person to produce for inspection records that are required by the conditions of an approval.

- (2) A direction may be given under this section in addition to any other enforcement action prescribed by this local law.
- (3) A person must comply with a direction given under subsection (1), unless the person has a reasonable excuse.

Maximum penalty—50 penalty units.

## 26 Compliance notice for contravention of local law or approval condition

- (1) Subsection (2) applies if an authorised person is satisfied on reasonable grounds that—
  - (a) a person—
    - (i) is contravening a local law or a condition of an approval; or
    - (ii) has contravened a local law or a condition of an approval in circumstances that make it likely the contravention will continue or be repeated; and
  - (b) a matter relating to the contravention can be remedied; and
  - (c) it is appropriate to give the person an opportunity to remedy the matter.

*Examples for paragraph (b) of matters relating to a contravention that can be remedied—*

- If the contravention relates to a person's failure to take action that is required under a local law or a condition of an approval, then the matter can be remedied by the person taking that action.
