

LIVING SUSTAINABLY

Simple everyday actions to take care of the environment so that the environment can continue to take care of us!

ENVIRONMENTAL
SUSTAINABILITY.

Rockhampton
Regional Council

Living sustainably comes down to daily habits and choices you make, both big and small, that can have huge environmental impact. There's lots of information available that can assist you to understand your own environmental impact and the opportunities you have to make more sustainable choices in your home, at work and out and about.

Get involved with the range of free, family friendly, hands-on workshops at Rockhampton Region's Libraries. Workshops are free, but bookings are essential!
