7. STATEMENT OF REASONS

Description of the development	The proposed development is for Material Change of Use - Dual Occupancy	
Reasons for Decision	<p>a) Assessment of the development against the relevant zone purpose, planning scheme codes and planning scheme policies demonstrates that the proposed development will not cause significant adverse impacts on the surrounding natural environment, built environment and infrastructure, community facilities, or local character and amenity; and</p> <p>b) On balance, the application should be approved because the circumstances favour Council exercising its discretion to approve the application even though the development does not comply with an aspect of the assessment benchmarks.</p>	
Assessment Benchmarks	<p>The proposed development was assessed against the following assessment benchmarks:</p> <ul style="list-style-type: none"> • Low Density Residential Zone Code; • Special Management Area Overlay Code; • Access, Parking And Transport Code; • Filling and Excavation Code; • Landscape Code; • Stormwater Management Code; • Waste Management Code; and • Water and Sewer Code. 	
Compliance assessment benchmarks with	The development was assessed against all of the assessment benchmarks listed above and complies with all of these with the exceptions listed below.	
	Assessment Benchmark	Reasons for the approval despite non-compliance with benchmark
	Low Density Residential Zone Code	<p>PO3</p> <p>The proposed built form does not incorporate a pedestrian entry and door that is visible from the primary street frontage (Lakes Creek Road). This conflicts with AO3.6.</p> <p>While the proposed built form does not incorporate a pedestrian entry door that is visible from Lakes Creek Road, the Dual Occupancy is considered to be consistent with the character and amenity of the surrounding area – which predominantly accommodates single-detached, low-rise residential uses. The design of the proposed development incorporates sufficient access to private open space and passive recreation opportunities.</p> <p>As such, the proposed development is considered to comply with this Performance Outcome.</p>
Special Management Area Overlay Code	<p>PO2</p> <p>The proposed development will result in the intensification of an existing sensitive land use in the Special Management Area Overlay.</p> <p>Despite this non-compliance, the subject site is located in an established residential area and is</p>	

		<p>consistent with the intent of the Low Density Residential Zone. The addition of one (1) additional residence in proximity to the abattoir is not expected to result in the proliferation of any issues relating to human health, amenity or well-being.</p> <p>As such, the proposed development is considered to comply with this Performance Outcome.</p>
Matters prescribed by regulation	<ul style="list-style-type: none"> • The <i>Rockhampton Region Planning Scheme 2015</i> (version 2.1); and • The common material, being the material submitted with the application.
