## 8. STATEMENT OF REASONS

<b>Description of the development</b>	The proposed development is for Material Change of Use - Residential Care Facility, Community Care Centre and Food and Drink Outlet
<b>Reasons for Decision</b>	<p>a) The proposal is for a community facility which is consistent with the amenity and characteristics of the surrounding residential area;</p> <p>b) The development is an extension to an existing use currently located on the subject site which has residential connotations being associated with an Aged Care Facility which operates in conjunction with the adjoining Mater Misericordiae Hospital;</p> <p>c) The proposed use does not compromise the strategic framework in the <i>Rockhampton Region Planning Scheme 2015</i>;</p>

	<p>d) Assessment of the development against the relevant zone purpose, planning scheme codes and planning scheme policies demonstrates that the proposed development will not cause significant adverse impacts on the surrounding natural environment, built environment and infrastructure, community facilities, or local character and amenity;</p> <p>e) The proposed development does not compromise the relevant State Planning Policy; and</p> <p>f) On balance, the application should be approved because the circumstances favour Council exercising its discretion to approve the application even though the development does not comply with an aspect of the assessment benchmarks.</p>	
<b>Assessment Benchmarks</b>	<p>The proposed development was assessed against the following assessment benchmarks:</p> <ul style="list-style-type: none"> <li>• Low Density Residential Zone Code;</li> <li>• Access, Parking and Transport Code;</li> <li>• Landscape Code;</li> <li>• Stormwater Management Code;</li> <li>• Water and Sewer Code; and</li> <li>• Works Code.</li> </ul>	
<b>Compliance with assessment benchmarks</b>	<p>The development was assessed against all of the assessment benchmarks listed above and complies with all of these with the exception(s) listed below.</p>	
	<b>Assessment Benchmark</b>	<b>Reasons for the approval despite non-compliance with benchmark</b>
	Low Density Residential Zone Code	<p>The development area is fronting an Urban Access Street (Spencer Street). It is not anticipated that the development will affect the functional capacity of Spencer Street or the surrounding road network. The proposal will not result in a significant increase in traffic volumes, with any additional traffic only being created by the additional ten (10) staff members which will be employed on the site.</p> <p>Further, the subject site is still considered highly accessible given its proximity to the adjoining Mater Misericordiae Hospital and the bus network which operates on Spencer Street. As such, the proposal is still considered to be located on a highly accessible site given its proximity to the Mater Misericordiae Hospital and public transport network.</p>
<b>Matters prescribed by regulation</b>	<ul style="list-style-type: none"> <li>• The <i>State Planning Policy – Part E</i>;</li> <li>• The <i>Central Queensland Regional Plan</i>;</li> <li>• The <i>Rockhampton Region Planning Scheme 2015</i>;</li> <li>• The common material, being the material submitted with the application.</li> </ul>
