Attachment 2—Changed reasons for decision to impose conditions

(Given under section 56(7) of the *Planning Act 2016*)

The reasons for the department's decision are:

- The application seeks to increase the number of lots approved for the subdivision by 21 lots.
- The land contains category B vegetation that is listed 'of least concern'.
- Development impact on vegetation has been reduced from the original approved area.
- The change will improve the buffer to the wetland area.
- The development complies with State codes 9 and 16 with the application of conditions.

Material used in the assessment of the application:

- The development application material and submitted plan
- *Planning Act 2016*
- Planning Regulation 2017
- The *State Development Assessment Provisions* (version 2.4), as published by the department
- The Development Assessment Rules
- SARA DA Mapping system

Development Assessment Rules—Representations about a referral agency response (concurrency)

The following provisions are those set out in sections 28 and 30 of the *Development Assessment Rules*¹ regarding **representations about a referral agency response (concurrency)**.

Part 6: Changes to the application and referral agency responses and Part 7: Miscellaneous

28 Concurrency agency changes its response or gives a late response

- 28.1. Despite part 2, a concurrency agency may, after its referral agency assessment period and any further period agreed ends, change its referral agency response or give a late referral agency response before the application is decided, subject to section 28.2 and 28.3.
- 28.2. A concurrency agency may change its referral agency response at any time before the application is decided if—
- (a) the change is in response to a change which the assessment manager is satisfied is a change under section 26.1; or
 - (b) the Minister has given the concurrency agency a direction under section 99 of the Act; or
 - (c) the applicant has given written agreement to the change to the referral agency response.²
- 28.3. A concurrency agency may give a late referral agency response before the application is decided, if the applicant has given written agreement to the late referral agency response.
- 28.4. If a concurrency agency proposes to change its referral agency response under section 28.2(a), the concurrency agency must—
- (a) give notice of its intention to change its referral agency response to the assessment manager and a copy to the applicant within 5 days of receiving notice of the change under section 25.1; and
 - (b) the concurrency agency has 10 days from the day of giving notice under paragraph (a), or a further period agreed between the applicant and the concurrency agency, to give an amended referral agency response to the assessment manager and a copy to the applicant.

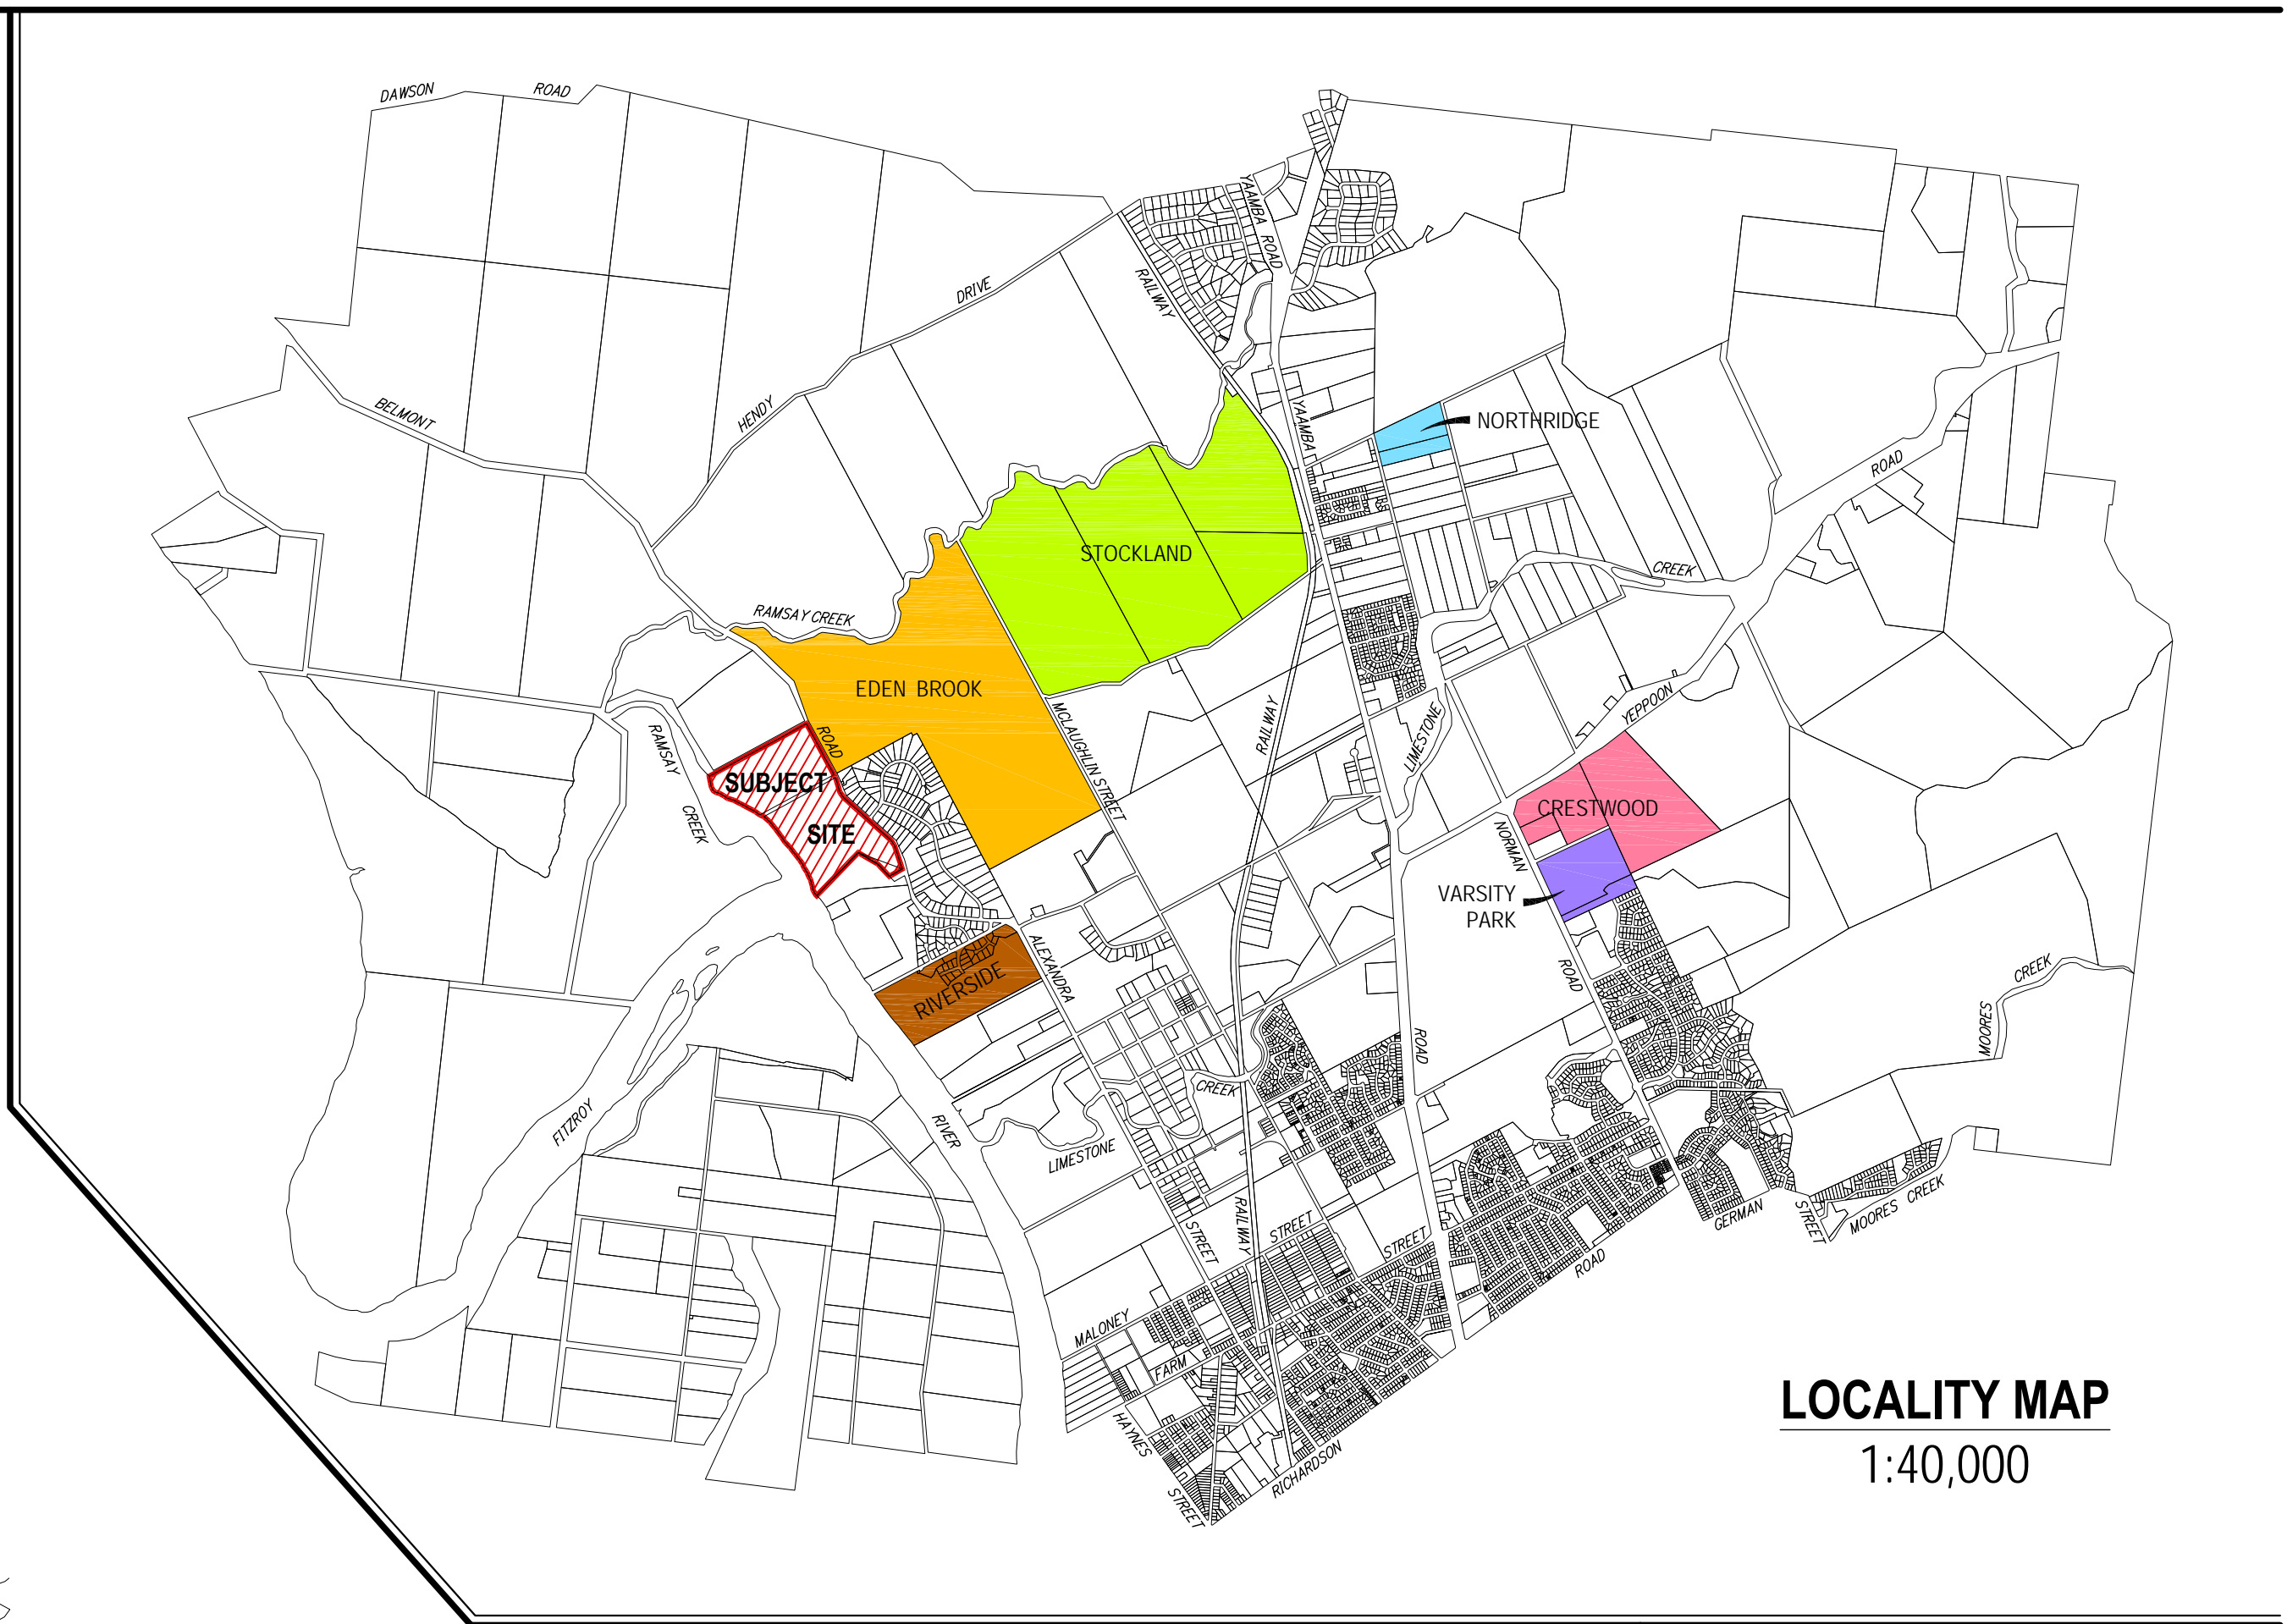

¹ Pursuant to Section 68 of the *Planning Act 2016*

² In the instance an applicant has made representations to the concurrency agency under section 30, and the concurrency agency agrees to make the change included in the representations, section 28.2(c) is taken to have been satisfied.

30 Representations about a referral agency response

30.1. An applicant may make representations to a concurrence agency at any time before the application is decided, about changing a matter in the referral agency response.³

³ An applicant may elect, under section 32, to stop the assessment manager's decision period in which to take this action. If a concurrence agency wishes to amend their response in relation to representations made under this section, they must do so in accordance with section 28.

IMPORTANT NOTE

This plan was prepared to accompany a reconfiguration of a lot application to Rockhampton Regional Council and should not be used for any other purpose.

The dimensions and areas shown hereon are subject to field survey and also to the requirements of council and any other authority which may have requirements under any relevant legislation.

In particular, no reliance should be placed on the information on this plan for any financial dealings involving the land.

This note is an integral part of this plan.
