MAY 2019**

## **CATEGORY DETAILS**

**Capture imaginative and inspiring photographs of the Rockhampton Region's amazing local environment and enter them into the Nature Photography Competition. The competition has five categories which you may enter. Please note that a maximum of three (3) images per category may be submitted by any one entrant. The same image cannot be entered in more than one category. All entries must be submitted within the competition conditions found on the entry form.**

### **CONNECTING WITH NATURE (Open to all ages)**

Images that capture the intricate relationship between people and our natural environment. Photographs must depict one or more of the following:

- People participating in nature recreation activities such as bushwalking, mountain bike riding, rock climbing, water sports, fishing or relaxing with family and friends
- People participating in nature based activities such as tree planting, land management or conservation activities
- People working in natural environments
- Links between nature and our built environment

**Category Prize: Grand Champion receives \$250 plus prize pack.**

### **CELEBRATING OUR NATURAL LANDSCAPES (Open to all ages)**

Images that celebrate our unique natural assets, breathtaking backdrops and inspire the phrase "how's the serenity". Photographs must depict one or more of the following:

- Views of (or from) your favourite natural destination
- Our local natural areas, bushland and national parks
- Our local waterways, wetlands and geological features
- Natural scenes, colours and textures

**Category Prize: Grand Champion receives \$250 plus prize pack.**

### **SHOWCASING OUR NATIVE FLORA AND FAUNA (Open to all ages)**

Enter images that showcase our native plants and capture wildlife in their natural habitat. Photographs must depict one or more of the following:

- Native plants within the Rockhampton Regional Council Local Government Area
- Native animals within the Rockhampton Regional Council Local Government Area
- Habitats of native animals

**Category Prize: Grand Champion receives \$250 plus prize pack.**

### **BUDDING YOUNG PHOTOGRAPHER (Under 18 years of age)**

Up and coming photographers can enter images that celebrate nature in our local area. Photographs must depict one or more of the following:

- People connecting with nature
- Celebrating our unique natural assets and landscapes
- Showcasing our native plants or animals in their natural habitat

**Category Prize: Up to three Champions sharing total \$250 prize pool plus prize packs.**

### **PROFESSIONAL PHOTOGRAPHER (Over 18 years of age)**

Professional photographers can enter images that celebrate nature in our local area. Photographs must depict one or more of the following:

- People connecting with nature
- Celebrating our unique natural assets and landscapes
- Showcasing our native plants or animals in their natural habitat

**Category Prize: Grand Champion receives \$250 prize plus prize pack.**

## **SUBMITTING YOUR ENTRY**

**Photographs must be provided in JPEG (.jpeg) digital format. Your photograph/s and entry form must be submitted digitally via email to [sustainability@rrc.qld.gov.au](mailto:sustainability@rrc.qld.gov.au) by close of business, Friday 10th May 2019.**

**Entrants under 18 years of age must have the consent of their parent or guardian to enter.**

**Entry form is found on Council's website.**
