File No: 11481
Attachments: Nil
Authorising Officer: Evan Pardon - Chief Executive Officer
Author: Robert Holmes - General Manager Regional Services

SUMMARY

For a number of years Rockhampton City Council and subsequently Rockhampton Regional Council have been grappling with the issue of waste disposal and where and how to dispose of the solid waste generated in the Region. There have been a number of options looked at over that period including approximately 54 sites within the Council area, alternate waste technologies and disposal to facilities outside of the Region.

Those considerations have culminated in the latest two (2) solutions to be investigated and they are:

- 1) Gladstone Regional Council/Rockhampton Regional Council Joint Refuse Disposal Project; and*
- 2) Piggy Back Expansion – Lakes Creek Road Landfill Stage 3.*

The Committee's consideration and direction on those options is now sought.

COMMITTEE RECOMMENDATION

1. THAT the Piggy Back Expansion of the Lakes Creek Road Landfill be adopted as the preferred medium term waste disposal option; and
2. THAT discussions be conducted with Gladstone Regional Council with a view to a collaborative approach to the long term waste issues and activities of both Council areas.
