COMMITTEE RESOLUTION

RECOMMENDATION A

THAT in relation to the application for a Development Permit for a Material Change of Use for a House, made by Beal Building Design on behalf of St Luke's Healing Foundation, on land described as Lot 153 on RP866052, Parish of Archer, located at 342-350 Holt Street, Frenchville, Council resolves under section 304(1) of the *Sustainable Planning Act 2009*:

- a) that it is satisfied that the non-compliances with the public notification procedures have not:
 - (i) adversely affected the awareness of the public of the existence and nature of the application; or
 - (ii) restricted the opportunity of the public to make properly made submissions; and
- b) to assess and decide the application despite a requirement for public notification not being complied with.

RECOMMENDATION B

That in relation to the application for a Development Permit for a Material Change of Use for a House, made by Beal Building Design on behalf of St Luke's Healing Foundation, on land described as Lot 153 on RP866052, Parish of Archer, located at 342-350 Holt Street, Frenchville, Council resolves to Refuse the application for the following reasons:

- a) The *State Planning Policy 2015* and the new *Rockhampton Regional Planning Scheme 2015* seeks to restrict development in areas adversely affected by natural hazards.
- b) The site-specific Bushfire Management Plan which supported this proposal, indicates the development to remain a high risk;
- c) The proposal did not adequately address all aspects of the development vs supporting documentation and contains a number of discrepancies between the Bushfire Management Report and the engineering solutions / drawings; and
- d) The proposal fails to comply with a number of Specific Outcomes within the Biodiversity / Nature Conservation Code and the Bushfire Risk Minimisation Code as per the *Rockhampton City Plan 2005*.
