#### COMMITTEE RECOMMENDATION

**RECOMMENDATION A**

THAT in relation to the application for a Development Permit for Operational Works for an Advertising Device (Billboard), made by Bishopp Outdoor Advertising Pty Ltd on land described as Lot 8 and Lot 9 on RP603507, Parish of Murchison, located at 870-886 Yaamba Road, Parkhurst, Council resolves to Approve the application despite its conflict with the planning scheme and provide the following grounds to justify the decision despite the conflict:

- a) The proposal is for the replacement and relocation of an existing Billboard and will not adversely affect the visual amenity of Yaamba Road as a main transport entrance into Rockhampton’s urban areas nor the surrounding area;
- b) The Billboard is not located in proximity to any existing residential development and will not compromise the purpose of the Low Density Residential Zone from providing predominantly single detached Dwelling Houses;
- c) The proposed use does not compromise the strategic framework in the *Rockhampton Region Planning Scheme 2015*;
- d) Assessment of the development against the relevant zone purpose, planning scheme codes and planning scheme policies demonstrates that the proposed development will not cause significant adverse impacts on the surrounding natural environment, built environment and infrastructure, community facilities, or local character and amenity; and
- e) The proposed development does not compromise the relevant State Planning Policy.
