## COMMITTEE RECOMMENDATION

### **RECOMMENDATION A**

THAT in relation to the application for a Development Permit for a Material Change of Use for an Extractive Industry, High Impact Industry, Warehouse, Environmentally Relevant Activity 16 (Extractive and Screening Activities) and Environmentally Relevant Activity 53 (Composting and Soil Conditioner Manufacturing), made by Hopeman Pty Ltd on behalf of Loukin Pty Ltd Tte, on Lot 91 on SP224420, Lot 1743 on LIV40543, Lot 1918 on LIV40627, Lot 2 on RP601957, Lot 138 and 139 on PL4021, located at 263A Belmont Road, Parkhurst, Lots 138, 139, 1743 and 1918 D Berrys Road and Lot 2 Belmont Road, Glenlee, Council resolves to Approve the application and provide the following grounds to justify the decision:

- a) The subject site is strategically located in a rural area adjacent to the Fitzroy River floodplain and forms a large part of Key Resource Area 22, which has been identified as containing fine to coarse grained sand and gravel.
- b) The subject site can be rehabilitated once the quarry and associated operations cease, therefore not restricting the land for rural uses in the future. In addition, it is not anticipated that the proposed activities will restrict or adversely impact on the ongoing safe and efficient use of the nearby rural uses.
- c) The proposal is well buffered to sensitive uses by both distance and topographic screening.
- d) The proposed development will not detract from the scenic landscape features and environmental characteristics of the locality.
- e) The proposed use does not compromise the strategic framework in the *Rockhampton Region Planning Scheme 2015*;
- f) Assessment of the development against the relevant zone purpose, planning scheme codes and planning scheme policies demonstrates that the proposed development will not cause significant adverse impacts on the surrounding natural environment, built environment and infrastructure, community facilities, or local character and amenity; and

- g) The proposed development does not compromise the relevant State Planning Policy.
