Council advises against the construction of any habitable structures within the affected areas of Lot 2 due to the risks associated with flooding.

NOTE 2. General Environmental Duty

General environmental duty under the *Environmental Protection Act 1994* prohibits unlawful environmental nuisance caused by noise, aerosols, particles, dust, ash, fumes, light, odour or smoke beyond the boundaries of the development site during all stages of the development including earthworks, construction and operation.

THAT in relation to the application for a Development Permit for Operational Works for Earthworks and a Retaining Wall on Lot 1 on RP618772 and located at 9 Rogar Avenue, Frenchville, Council resolves to Refuse the application for the following reasons:
