2.5 The Developer is responsible for ensuring compliance with this approval and the Conditions of the approval by an employee, agent, contractor or invitee of the Developer.

3.0 OPERATING PROCEDURES

3.2 Any lighting devices associated with the signage, such as sensory lighting, must be positioned on the site and shielded so as not to cause glare or other nuisance to nearby residents or motorists. Night lighting must be designed, constructed and operated in accordance with ‘Australian Standard AS4282 – Control of the obtrusive effects of outdoor lighting’.
