

# Drop In NDIS Support: Rockhampton

## Support from your Local Area Coordinator

The National Disability Insurance Scheme is a new way to support Australians with disability, and that means some new things to learn.

If you'd like support while you're getting used to the NDIS, we can help. Join us at these free, informal sessions for practical support with the NDIS, finding and working with service providers, and using the online portal.

It's also an opportunity to ask questions about NDIS access, planning, and using your funding.

### Carers Queensland office
