Contractor Declaration

I agree and understand that due to the age of the Cemeteries, slight inaccuracies might be found in the spacing and alignment of gravesites. It is therefore my duty to work within these anomalies. I will work within the defined area and will ensure to square up the site being worked on to match it with the other existing graves. Under no circumstances are the surrounding graves to be interfered with. Before pouring the concrete, I will ensure a Council Officer first views and approves the formwork.

Frequently Asked Questions

Who can order a plaque or memorial?

Anyone can order a plaque or memorial providing they have completed the Plaque/Memorial Request Form and have the written and signed permission from the Burial Right Holder. An application using the Memorial Installation Permit Application Form (including payment of the fee) may also be required for graves in the Monumental Cemeteries.

What extra features can I add to my plaque / memorial?

There are a variety of extra features available to personalise your plaque/memorial.

Photos – Many people choose to add a photograph of their loved one to the plaque/memorial. In order to do this we require an original photo or a very clear copy which we scan and return to you. Alternatively we will also accept a photo via email or USB stick providing the photo has been scanned as a .JPEG file. Backgrounds, etc can be altered or changed if required.

Emblems – There are over 100 different emblems to choose from covering a wide range of subjects. Each emblem is a gold outline of the subject, which can be filled in with colour. For example, a gold rose emblem can be filled with red to make it a red rose with a gold outline. Emblems can also be sized to suit the size of the plaque and the space available.

Borders – All plaques are made with a standard gold border, however this can be changed for one of over 20 other designs.

What happens after I have completed my Plaque / Memorial Request Form?

Once we have received your request we will organise a proof of your plaque to be made. This will be forwarded to you for checking. Once any changes to the proof have been made and you are happy with the final proof you will need to sign and date the proof and forward it to us for processing.

When do I pay for my plaque or memorial?

An invoice for your order can be processed at the time we receive your request whether it be in person, by mail, email or fax. If not, an invoice will be forwarded to you along with your plaque proof once it arrives. If your order requires a quote, we will forward an invoice to you once you have accepted this quote.

In all circumstances full payment must be made before any work will commence on your order.

How should I pay for my plaque / memorial?

Payment can be made at any Customer Service Centre, by mail or by telephone.

How long will it take for my plaque / memorial to be made?

Once we have received your signed, dated and approved proof and full payment has been made, your plaque will take approximately 4 – 6 weeks to arrive.

What happens once my plaque / memorial has arrived?

We will contact you once your plaque/memorial has arrived. We will then endeavour to place it as soon as is practical. This is usually done within a few days of us receiving your plaque/memorial but we ask that you allow a week. We will also contact you once your plaque/ memorial has been placed.

Can I install my own plaque / memorial?

All plaques and memorials should be placed by a qualified monumental mason with appropriate insurance or by Rockhampton Regional Council (Council) cemetery staff.

A member of the public may place a beam or grave cover on a grave. If you wish to do this, please contact Council and we can outline the requirements.

Can I place artificial flowers, vases, trinkets etc on a memorial?

Memorial Gardens – Only fresh flowers can be placed on memorials including the gardens.

Lawn and Monumental Cemeteries – Fresh or limited artificial flowers are welcome tributes. These are to be placed **ON THE BEAM ONLY** and must not encroach on another memorial.

For safety reasons the following is **NOT ALLOWED**:
Glass vases or receptacles, any photo frames, windmills or chimes.

ANY MEMORIALISATION FOUND NOT CONFORMING TO THESE GUIDELINES WILL BE REMOVED.

If you are unsure about placing an object on a memorial, please contact Council.
