

# VOTE 'YES'

Northern Suburbs

They **work** here.

They **learn** here.

They **shop** here.

They **play** here.

They **meet** here.

They've said they want to be  
here, **TWICE.**

**IF THEY WANT TO COME HOME,  
WE SHOULD HELP THEM.**

# Vote 'Yes' for the Northern Suburbs. It's fairer for everyone.

The State Government will soon ask residents to vote on whether they support the transfer of the Northern Suburbs to the Rockhampton Region.

All enrolled electors will receive a unique code via mail from the Electoral Commission Queensland. Ensure you keep this code to have your say online or via post.

## WHY VOTE 'YES'?

Their lives are our lives – their kids go to school here, they shop here, they spend their time here in our Region.

We already provide the infrastructure and services for them because we know they are more a part of our community than they are Livingstone's. And they want to be part of ours.

A vote yes in this poll will unlock growth. It will help secure the future of our Region because it gives us the room we need to grow.

The Northern Suburbs means more people for our Region. More people. More services. More infrastructure.

This public poll is your opportunity to fight for our Region. So vote yes for a bigger and better Rockhampton Region.
