Dear Rick,

Re: South Rockhampton Levee Project.

We understand that Rockhampton Regional Council is seeking funding from the Federal and State Governments to construct a South Rockhampton Levee Bank to protect Depot Hill and Port Curtis from floodwaters which regularly impact these areas of Rockhampton.

Toll operates an Intermodal transport terminal in Goss Street Port Curtis which is regularly impacted by flooding, and we support any initiative which will protect our business and the continuity of broader business within Rockhampton during times of flood.

Should you have any queries regarding the above please do not hesitate to contact me on 0423240144.

Kind regards
