

Things to know when visiting Waste Management Facilities

Rockhampton Regional Waste and Recycling (RRWR) is committed to the provision of cost effective, innovative and environmentally responsible waste management practices. RRWR manages a range of Waste Management Facilities and kerbside bin collection services throughout the Rockhampton Region.

What do you need to ensure when visiting a Waste Management Facility?

Please note the below conditions of entry when visiting our Waste Management Facilities:

- No smoking;
- Children and pets are not permitted to leave vehicles;
- Enclosed footwear must be worn;
- Follow instructions given by staff. Please note that abuse to on site staff will not be tolerated;
- Adhere to site signage. Please ask a staff member if you are unsure of direction.

How can you dispose of Asbestos?

All customers wishing to dispose of Asbestos Containing Material (ACM) must adhere to strict guidelines to protect the health and safety of themselves, the public and Council staff. Asbestos is only accepted at the Lakes Creek Road Landfill and 48 hours notice is required by calling (07) 4932 9000 or 1300 22 55 77. Please note that disposal of asbestos can require a Waste Transport Certificate to be presented on site. For Domestic Customers, should your load weigh more than 250kg, a Waste Transport Certificate must be presented on site. For Commercial Customers, a Waste Transport Certificate must be presented on site for all asbestos loads.

Please visit www.rockhamptonregion.qld.gov.au for further information on the safe disposal of asbestos or visit www.health.qld.gov.au/asbestos/default.asp for information on health and safety.

Looking for quality second hand goods?

Trendy Trash is located at the Waste Management Facility located at 152 Lakes Creek Road. Quality second-hand and repurposed items at bargain prices available. The Trendy Trash store is open from 8am on Fridays, Saturdays and Sundays.

Want mulched greenwaste for your garden?

Mulched greenwaste is available free of charge to residents to improve the quality of their gardens. Free mulched greenwaste is limited to a large trailer load or up to five tonnes per project, subject to stock level and availability, and must be self loaded.

Mulched greenwaste is available at the following Waste Management Facilities depending on availability:

- Bouldercombe,
- Gracemere,
- Mount Morgan, and
- Lakes Creek Road.

Top tips to reduce your Waste Facility Costs

Everybody can reduce the amount of waste they create and send to landfill. Make use of our free drop off areas! By using the drop off points you can save money on disposal fees. Here are some top tips to reduce your disposal costs.

All items below can be dropped off at the Waste Management Facility located at Lakes Creek Road. Drop off options vary at the Waste Facilities so if you are unsure, ask a friendly staff member or check what is available at each Waste Management Facility on our website www.rockhamptonregionalwaste.com.au

Free disposal is only available to residents of the Rockhampton Region. Disposal by customers from outside the Region will not be accepted.

Tip 1 - Use FREE Recycling Drop off!

Can your items be recycled? Drop off the following items:

Recyclable items in yellow lid recycling bins:

- Paper and cardboard,
- Glass bottles and jars,
- Aluminium and steel cans,
- Milk and juice cartons,
- Plastic containers (with recycling symbol numbers 1 - 7).

E-waste:

Drop off desk top and laptop computers, monitors, mice and keyboards, cables, drives, printers and scanners and televisions for free at Lakes Creek Road and Gracemere Waste Management Facilities. These items are recycled through TechCollect.

Tip 2 - Drop off pre-loved household items

Pre-loved household items including clothing and footwear, furniture and bric-a-brac can be dropped off for free. If it is in reusable condition, make sure it gets a second chance. Acceptance is at the discretion of Trendy Trash staff.

Tip 3 - Use the FREE scrap metal area

Light metals including fridges, air conditioners, fence panels, roller doors or metal off cuts. Drop it all to the metal pile for free!

Tip 4 - Clean greenwaste loads are FREE

Clean loads of greenwaste including trimmings, prunings and lawn clippings are free! Greenwaste loads are accepted free at the Alton Downs, Bouldercombe, Gracemere, Lakes Creek Road, and Mount Morgan Waste Management Facilities.

Council conducts inspections of all incoming greenwaste loads. Customers identified as attempting to dispose general waste including timber with a greenwaste load may be charged at a general waste rate for the entire load with possible exclusion from the facility for an extended period.
