FACT SHEET

Australia Day Community Event Grants

We come together as a nation on Australia Day to celebrate what's great about Australia and being Australian. It is the day to reflect on what we have achieved and what we can be proud of in our great nation. It is the day when we can commit to making our part of Australia an even better place in the future.

On January 26 each year, more than half of the nation's 22 million people attend either an organised community event or enjoy being around family and friends while celebrating our national day.

At its core, Australia Day is a day driven by communities, and the celebrations held in each town, suburb or city is the foundation of its ongoing success.

The Rockhampton Regional Council Australia Day Community Event Grants are aimed at enabling our Region's communities to host events that promote the objectives of Australia Day (as per the Australia Day Community Event Grants Application Form) and in doing so, provide an avenue by which people can unite and connect as Australians.

The grants program is:

- Open to community groups and not-for-profit charity organisations registered and operating within the boundaries of the Rockhampton Regional Council local government area;
- Funding to plan and host an Australia Day event that is open to residents and visitors;
- Aimed at enhancing community participation and connectedness;
- About inspiring new and imaginative ways for your community to celebrate what makes being an Australian great; and
- About recognising that the communities of the Region have pride in their sense of identity.

The grants program is not:

- Recurrent funding;
- Available to organisations operating or registered outside the Rockhampton Region;
- Available to any other group except registered community groups or not-for-profit charity organisations; or
- Available to schools or other educational institutions.

Preference will be given to:

- Groups and organisations who demonstrate an ability to use the funding to seed their event as a permanent annual fixture within their community;
- Applications that demonstrate a commitment to ensuring equity for all residents; and
- Groups and organisations that show a commitment to promoting connectedness among the Region's communities and residents.

The Rockhampton Regional Council Australia Day 2024 Community Event Grants carry a total pool of \$15,000 to be shared between communities that demonstrate a willingness and ability to connect their residents by planning and staging an Australia Day event in their township. Each application can apply for a maximum of \$3,000.00 per event.

Funding will be allocated in varying amounts, depending on the quality and number of applications received.

Council will consider favourably applications that show a whole-of-community willingness to support their Australia Day celebration and those that meet one or more of the Australia Day objectives, as outlined by the National Australia Day Council.

Applications must be received by Council no later than close of business Friday 3 November 2023.

Assessment, Selection and Notification Processes

After round closing date, Community Services administration will assess your application to establish its eligibility.

Community Local Event Sponsorship, Community Regional Event Sponsorship and the Environment and Sustainability Grants will be evaluated by an Assessment Panel convened by Community Services.

Community Development Grants and Insurance Support will be administered by Community Services in line with CAP objectives.

Assessment Criteria Examples

 - (b) Clear explanation of who within the community will benefit from the project/event and what those benefits are.

 - (c) The organisation has the capacity to sustain a program or activity beyond the terms of funding (where applicable).

Note: Applications that demonstrate the applicant has sought support from other organisations or community support through co-contributions (cash and/or in-kind) will be considered favourably.

Selection

Applications will be prioritised based on satisfaction of the selection criteria and funds available.

For applications for funding through Community Local Event Sponsorship, Community Regional Event Sponsorship and the Environment and Sustainability Grants, a Selection Panel will make recommendations to the General Manager of Community Services.

Requests for assistance through Community Development Grants and Insurance Support are assessed by Community Services as they are received.

Community Services may ask the applicant for further information before making an assessment.

FACT SHEET

Guidelines for Community Assistance Program

Notification

Applicants will be notified in writing of the outcome of the selection process within eight (8) weeks of the round closure.

Acknowledgement

Successful applicants will be expected to:

- Acknowledge the support of Council in delivery of the project/event.
- Register any associated community events on Council's events calendar.
- Ensure their organisation is registered on Council's community directory (if a community organisation).

GST

Organisations which do not have an ABN must supply a 'Statement by a Supplier' Form indicating the reason for not quoting an ABN. Without an ABN or a Statement by a Supplier Form, Council will be required to withhold and forward 48.5% of any approved grant to the ATO.

All grant amounts are GST exclusive. Where a grant applicant is registered for GST, the grant amount awarded to the applicant will be adjusted for GST (for example, a \$1,000 grant will be paid as \$1,100 GST inclusive). For further advice about GST issues, Statement by a Supplier forms or any general enquiries about GST issues, please contact the ATO.
