

WATERSLIDES

BEFORE YOU GO YOU SHOULD KNOW

The 42nd Battalion Memorial Pool has three new beautiful slides which are open all season for everyone to enjoy! Here's a few things you need to know to ensure you and those around you are **safe** while you are having fun!

- You pay a \$2 entry fee into the pool grounds, entry to the waterslides is free.
- It's the holiday season and summer time, so please be patient for your opportunity to slide.
- The number of people using the waterslides is capped to prevent overcrowding. The waterslides are open seven days a week, so there will be plenty of opportunities to try them out.
- Once you've paid the entry fee, the attendant will issue you a coloured wristband and give you a time to ride. When it's your time to ride, ensure your coloured wristband is visible.
- If you forget your allocated time, look out for display boards around the complex that outline the colour and time allocations.
- To ride you must be taller than 1.2m and weigh less than 120 kg.

While you are waiting why not have a swim, grab some lunch or have a go at mini golf!

Remember, these are the only public waterslides in the Rockhampton Region so be patient; everyone is excited to give them a go too!
