## 7. STATEMENT OF REASONS

<b>Description of the development</b>	
Material Change of Use for Showroom (Extension)	
<b>Reasons for Decision</b>	
<p>a) Assessment of the development against the relevant zone purpose, planning scheme codes and planning scheme policies demonstrates that the proposed development will not cause significant adverse impacts on the surrounding natural environment, built environment and infrastructure, community facilities, or local character and amenity; and</p> <p>b) On balance, the application should be approved because the circumstances favour Council exercising its discretion to approve the application even though the development does not comply with an aspect of the assessment benchmarks.</p>	
<b>Assessment Benchmarks</b>	
<p>The development was assessed against the following assessment benchmarks:</p> <ul style="list-style-type: none"> <li>• Local Government Infrastructure Plan;</li> <li>• Specialised Centre Zone Code;</li> <li>• Access, Parking and Transport Code;</li> <li>• Landscape Code;</li> <li>• Stormwater Management Code;</li> <li>• Waste Management Code;</li> <li>• Water and Sewer Code; and</li> <li>• Airport Environs Overlay Code.</li> </ul>	
<b>Compliance with assessment benchmarks</b>	
<p>The development was assessed against all of the assessment benchmarks listed above and complies with all of these with the exceptions listed below.</p>	
<b>Assessment Benchmark</b>	<b>Reasons for the approval despite non-compliance with benchmark</b>
Specialised Centre Zone Code	<p>The development does not comply with Acceptable Outcome 9.1 as the proposal does not provide a minimum 1.5 metre wide landscape buffer along the full frontage of the site (state controlled road).</p> <p>A four (4) metre wide landscape buffer exists along Yaamba Road for the full length of the development (excluding the access area), but not the Moore Creek Road frontage.</p> <p>The remaining undeveloped area of the site with road frontages along Yaamba Road and Moores Creek Road is the subject of separate Development Approvals and is not considered to be a part of this development:</p> <ul style="list-style-type: none"> <li>• D/63-2022 - Reconfiguring a Lot (one lot into two lots); and</li> <li>• D/155-2022 - Material Change of Use for Shop, Showrooms and Service Station and Operational Works for Advertising Devices (two freestanding signs and five wall signs)</li> </ul> <p>The existing four (4) metre wide landscape buffer exceeds the acceptable outcome and is considered to enhance the streetscape along the Yaamba Road (State-Controlled) frontage.</p> <p>Therefore, the development is considered to achieve the overarching performance</p>

	<p>outcome.</p> <p>The development does not comply with Acceptable Outcome 11.2 as the proposal does not include a three (3) metre wide landscape buffer along the west boundary that adjoins with a residential zone.</p> <p>The existing two (2) metre high fence and two (2) metre wide landscaping that was conditioned as part of the original development approval D-R/971-2005/A - Material Change of Use (Retail Showrooms) has been well maintained. Despite the existing landscaping not meeting the current three (3) metre wide acceptable outcomes it is considered to reduce the visual impacts and provide privacy to the adjoining residential zone.</p> <p>Therefore, the development is considered to achieve the performance outcome.</p> <p>The development does not comply with Performance Outcome 26 as no street trees are proposed or conditioned by Council, and no Acceptable Outcome is nominated.</p> <p>The site fronts two (2) State-Controlled Roads, Moores Creek Road and Yaamba Road in which local Council does not have authority to condition street trees located within the Department of Transport and Main Roads road reserve.</p> <p>Furthermore, it is deemed impractical to provide street trees within the road verge due to obstructing electrical infrastructure and a bus stop.</p>
Landscape Code	<p>The development does not comply with Acceptable Outcome 1.1 as the landscaping proposed is not fully in accordance with the requirements of the Specialised Zone Code.</p> <p>A response to the relevant provisions of the zone code relating to landscaping is provided above.</p> <p>In the context of the existing development on the subject site, the non-compliances with the Landscaping provisions are considered low-level conflicts in the assessment of the proposed 100 square metre extension for a new loading and storage area.</p>
<b>Relevant Matters</b>	
Not applicable to an assessable development application subject to code assessment.	
<b>Matters prescribed by regulation</b>	
<ul style="list-style-type: none"> <li>• The Rockhampton Region Planning Scheme 2015 (version 4.4)</li> <li>• D/63-2022 - Reconfiguring a Lot (one lot into two lots)</li> <li>• The common material, being the material submitted with the application</li> </ul>
