## 7. STATEMENT OF REASONS

<b>Description of the development</b>	The proposed development is for Building Works assessable against the Planning Scheme for a 2.4metre high steel boundary fence.	
<b>Reasons for Decision</b>	<p>a) The proposed work does not compromise the strategic framework in the <i>Rockhampton Region Planning Scheme 2015</i>;</p> <p>b) Assessment of the development against the relevant zone purpose, planning scheme codes and planning scheme policies demonstrates that the proposed development will not cause significant adverse impacts on the surrounding natural environment, built environment and infrastructure, community facilities, or local character and amenity;</p> <p>c) The proposed development does not compromise the relevant State Planning Policy; and</p> <p>d) On balance, the application should be approved because the circumstances favour Council exercising its discretion to approve the application even though the development does not comply with an aspect of the assessment benchmarks.</p>	
<b>Assessment Benchmarks</b>	<p>The proposed development was assessed against the following assessment benchmarks:</p> <ul style="list-style-type: none"> <li>Flood Hazard Overlay Code.</li> </ul>	
<b>Compliance with assessment benchmarks</b>	The development was assessed against all of the assessment benchmarks listed above and complies with all of these with the exception listed below.	
	<b>Assessment Benchmark</b>	<b>Reasons for the approval despite non-compliance with benchmark</b>
	Flood Hazard Overlay Code	The fence will be constructed in an area affected by the Creek Catchment Flood Overlay (Planning Area 1). However, the fence will be aligned parallel with the direction of the flow path so the potential for debris build-up is minimised. Additionally, given the alignment of the

		fence and the existing structures in its vicinity, the proposed fence will not affect available floodplain storage and have negligible hydraulic impacts.  Therefore, the proposal is considered to achieve the performance outcome.
<b>Matters prescribed by regulation</b>	<ul style="list-style-type: none"> <li>• <i>The State Planning Policy – Part E;</i></li> <li>• <i>The Central Queensland Regional Plan;</i></li> <li>• <i>The Rockhampton Region Planning Scheme 2015;</i> and</li> <li>• The common material, being the material submitted with the application.</li> </ul>
