5. THE APPROVED PLANS

The approved development must be completed and maintained generally in accordance with the approved drawings and documents:

Drawing/report title	Prepared by	Date	Reference number	Revision
Proposed Building Location Envelope	Capricorn Survey Group	4 December 2019	7552-01-MCU	A

6. CURRENCY PERIOD FOR THE APPROVAL (s.85 of the *Planning Act*)

The standard currency periods stated in section 85 of *Planning Act 2016* apply to each aspect of development in this approval, if not stated in the conditions of approval attached.

7. STATEMENT OF REASONS

Description of the development	The proposed development is for a Material Change of Use for a Dwelling House (Building Envelope)
Reasons for Decision	<p>a) Assessment of the development against the relevant zone purpose, planning scheme codes and planning scheme policies demonstrates that the proposed development will not cause significant adverse impacts on the surrounding natural environment, built environment and infrastructure, community facilities, or local character and amenity;</p> <p>b) The proposed development does not compromise the relevant <i>State Planning Policy</i>; and</p> <p>c) On balance, the application should be approved because the circumstances favour Council exercising its discretion to approve the application even though the development does not comply with an aspect of the assessment benchmarks.</p>
Assessment Benchmarks	The proposed development was assessed against the following assessment benchmarks:

	<ul style="list-style-type: none"> Flood Hazard Overlay Code. 	
Compliance with assessment benchmarks	The development was assessed against the assessment benchmark listed above and complies, apart from the exception listed below.	
	Assessment Benchmark	Reasons for the approval despite non-compliance with benchmark
	Flood hazard overlay code	Suitable conditions have been imposed to ensure the development will be constructed above the defined flood level and will not materially increase the flood level or flood hazard on upstream, downstream or adjacent properties, therefore minimising the potential impacts of flooding.
Matters prescribed by regulation	<ul style="list-style-type: none"> (i) The <i>State Planning Policy – Part E</i>; (ii) The <i>Central Queensland Regional Plan</i>; (iii) The <i>Rockhampton Region Planning Scheme 2015</i>. (iv) The common material, being the material submitted with the application. 	

8. APPEAL RIGHTS

The rights of an applicant to appeal to a tribunal or the Planning and Environment Court against a decision about a development application are set out in chapter 6, part 1 of the *Planning Act 2016*. There may also be a right to make an application for a declaration by a tribunal (see chapter 6, part 2 of the *Planning Act 2016*).

Appeal by an applicant

An applicant for a development application may appeal to the Planning and Environment Court against the following:

- the refusal of all or part of the development application
- a provision of the development approval
- the decision to give a preliminary approval when a development permit was applied for
- a deemed refusal of the development application.

An applicant may also have a right to appeal to the Development tribunal. For more information, see schedule 1 of the *Planning Act 2016*.

The timeframes for starting an appeal in the Planning and Environment Court are set out in section 229 of the *Planning Act 2016*.

Attachment 2 is an extract from the *Planning Act 2016* that sets out the applicant's appeal rights and the appeal rights of a submitter.

9. WHEN THE DEVELOPMENT APPROVAL TAKES EFFECT

This development approval takes effect:

- From the time the decision notice is given – if there is no submitter and the applicant does not appeal the decision to the court.

Or

- When the submitter's appeal period ends – if there is a submitter and the applicant does not appeal the decision to the court.

Or

- Subject to the decision of the court, when the appeal is finally decided – if an appeal is made to the court.

Attachment 1 – Part 1

Rockhampton Regional Council Conditions

Planning Act 2016

1.0 ADMINISTRATION

- 1.1 The Developer and their employee, agent, contractor or invitee is responsible for ensuring compliance with the conditions of this development approval.
- 1.2 Where these Conditions refer to “Council” in relation to requiring Council to approve or to be satisfied as to any matter, or conferring on the Council a function, power or discretion, that role may be fulfilled in whole or in part by a delegate appointed for that purpose by the Council.
- 1.3 All conditions, works, or requirements of this development approval must be undertaken, completed, and be accompanied by a Compliance Certificate for any Operational Works required by this development approval:
 - 1.3.1 to Council’s satisfaction;
 - 1.3.2 at no cost to Council; and
 - 1.3.3 prior to the commencement of the use,
 unless otherwise stated.
- 1.4 Infrastructure requirements of this development approval must be contributed to the relevant authorities, where applicable, at no cost to Council, prior to the commencement of the use, unless otherwise stated.
- 1.5 The following further Development Permits must be obtained prior to the commencement of any works associated with their purposes:
 - 1.5.1 Operational Works:
 - (i) Access Works.
 - 1.5.2 Plumbing and Drainage Works; and
 - 1.5.3 Building Works.
- 1.6 All Development Permits for Operational Works and Plumbing and Drainage Works must be obtained prior to the issue of a Development Permit for Building Works.
- 1.7 All works must be designed, constructed and maintained in accordance with the relevant Council policies, guidelines and standards, unless otherwise stated.
- 1.8 All engineering drawings/specifications, design and construction works must be in accordance with the requirements of the relevant *Australian Standards* and must be approved, supervised and certified by a Registered Professional Engineer of Queensland.

2.0 APPROVED PLANS AND DOCUMENTS

- 2.1 The approved development must be completed and maintained generally in accordance with the approved plans and documents, except where amended by any condition of this development approval:

Drawing/report title	Prepared by	Date	Reference number	Revision
Proposed Building Location Envelope	Capricorn Survey Group	4 December 2019	7552-01-MCU	A

2.2 Where there is any conflict between the conditions of this development approval and the details shown on the approved plans and documents, the conditions of this development approval must prevail.

2.3 Where conditions require the above plans or documents to be amended, the revised document(s) must be submitted for approval by Council prior to the submission of an application for a Development Permit for Building Works.

3.0 ACCESS WORKS

3.1 A Development Permit for Operational Works (access works) must be obtained prior to the commencement of any access works on the development site.

Note: It is advised that a Works in Road Reserve Permit (including a fee for the vehicle crossover and compliant with *Capricorn Municipal Development Guidelines - Standard Drawings*) may be accepted in place of the application for a Development Permit for Operational Works (access works).

3.2 All access works must be designed and constructed in accordance with the approved plan (refer to condition 2.1), *Capricorn Municipal Development Guidelines* and the provisions of a Development Permit for Operational Works (access works).

3.3 All access, parking and manoeuvring areas must be concrete paved.

3.4 A new access to the development must be provided prior to the commencement of the use.

4.0 PLUMBING AND DRAINAGE WORKS

4.1 All internal plumbing and drainage works must be designed and constructed in accordance with the approved plan (refer to condition 2.1), *Capricorn Municipal Development Guidelines*, *Water Supply (Safety and Reliability) Act 2008*, *Plumbing and Drainage Act 2018*, Council's Plumbing and Drainage Policies and the provisions of a Development Permit for Plumbing and Drainage Works.

4.2 The development must be connected to Council's reticulated sewerage and water networks.

4.3 The development must be provided with a new water and sewerage connection point(s).

5.0 ROOF AND ALLOTMENT DRAINAGE WORKS

5.1 All roof and allotment drainage works must be designed and constructed in accordance with the approved plans (refer to condition 2.1), *Queensland Urban Drainage Manual*, *Capricorn Municipal Development Guidelines* and sound engineering practice.

5.2 All roof and allotment runoff from the development must be directed to a lawful point of discharge and must not restrict, impair or change the natural flow of runoff water or cause a nuisance to surrounding land or infrastructure.

6.0 SITE WORKS

6.1 All earthworks must be undertaken in accordance with *Australian Standard AS3798 "Guidelines on earthworks for commercial and residential developments"*.

6.2 Site works must be constructed such that they do not, at any time, in any way restrict, impair or change the natural flow of runoff water, or cause a nuisance or worsening to surrounding land or infrastructure.

7.0 BUILDING WORKS

7.1 All buildings and structures must be located within the 'Building Location Envelope' in accordance with the approved plan (refer to condition 2.1).

7.2 The Dwelling House must be in accordance with *Queensland Development Code, Mandatory Part 1.2 for design and siting for single detached housing – on lots 450 square metres and over*.

- 7.3 All building works must be undertaken in accordance with *Queensland Development Code, Mandatory Part 1.4 for building over or near relevant infrastructure*.
- 7.4 The finished floor level for all habitable areas must be a minimum of 500 millimetres above a one per cent (1%) Annual exceedance probability flood inundation level.
- 7.5 All non-habitable areas subjected to flood inundation during a one per cent (1%) Annual exceedance probability flood event, must be designed and constructed using suitable flood resilient materials.
- 7.6 All electrical and telecommunication services and utilities connected to the property, including electrical outlets, must be designed and installed at such a height that they are a minimum of 500 millimetres above a one per cent (1%) Annual exceedance probability flood level.
- 7.7 Any application for a Development Permit for Building Works must be accompanied by a detailed structural engineering report and a building certificate prepared by a suitably qualified Registered Professional Engineer of Queensland, which demonstrates that the building has been designed to withstand the forces created by floodwaters and debris loading.
- 7.8 Any application for a Development Permit for Building Works must be accompanied by a report from a Registered Professional Engineer of Queensland which certifies that the development in the flood area will not result in a material increase in flood level or flood hazard to upstream, downstream or adjacent properties. At a minimum, this report must include:
 - 7.8.1 Details of the flood characteristics at the site and how the proposed development will impact on and be impacted by a Defined Flood Event; and
 - 7.8.2 Recommendations outlining how the flood impacts will be reduced or mitigated.
- 7.9 Any application for a Development Permit for Building Works must be accompanied by a Contingency Plan for the subject site. The plan must be prepared by a suitably qualified person that addresses, but is not limited, to the following:
 - 7.9.1 Identifies the types of flooding occurring on the site, the period of time that the access/entry to the site will be prevented, warning time prior to the event occurring, measures to be implemented to ensure the safety of property and people is maintained;
 - 7.9.2 Evacuation times and routes as well as the types of vehicles required for evacuation purposes; and
 - 7.9.3 Demonstrate that the subject development will not increase the flood debris loading of floodwaters nor result in environmental harm and include details of the storage or removal of materials, goods or equipment during times of flood and how the residents of the dwelling will collect possessions.

Note: Council is not required to approve Contingency Plans and Council does not accept any liability for loss of or damage to property, or injury or loss of life as a result of any person using or relying on the Contingency Plan, or failing to use the Contingency Plan during a flood event. It is the responsibility of the owner or occupier of the land to implement the Contingency Plan during a flood event or if there is a risk of flooding near the land. A review and amendment of the Contingency Plan must be undertaken with any changes in the ownership or occupation of the land to demonstrate appropriate evacuation routes and preparation procedures during a flood event or if there is a risk of flooding near the land.

8.0 ELECTRICITY

- 8.1 Electricity services must be provided to the development in accordance with the standards and requirements of the relevant service provider.

9.0 TELECOMMUNICATIONS

9.1 Telecommunications services must be provided to the development in accordance with the standards and requirements of the relevant service provider.

10.0 ASSET MANAGEMENT

10.1 Any alteration necessary to electricity, telephone, water mains, sewerage mains, and/or public utility installations resulting from the development or in connection with the development, must be undertaken and completed at no cost to Council.

10.2 Any damage to existing stormwater, water supply and sewerage infrastructure, kerb and channel, pathway or roadway (including removal of concrete slurry from public land and Council infrastructure), that occurs while any works are being carried out in association with this development approval must be repaired at full cost to the developer. This includes the reinstatement of any existing traffic signs or pavement markings that may have been removed or damaged.

11.0 ENVIRONMENTAL

11.1 An Erosion Control and Stormwater Control Management Plan in accordance with the *Capricorn Municipal Design Guidelines*, must be:

11.1.1 implemented, monitored and maintained for the duration of the works, and until all exposed soil areas are permanently stabilised (for example, turfed, hydromulched, concreted, landscaped); and

11.1.2 available on-site for inspection by Council Officers whilst all works are being carried out.

12.0 OPERATING PROCEDURES

12.1 All construction materials, waste, waste skips, machinery and contractors' vehicles must be located and stored or parked within the development site. Storage of materials or parking of construction machinery or contractors' vehicles must not occur within Farm Street, Hollingsworth Street or Jomarant Place.

ADVISORY NOTES

NOTE 1. Aboriginal Cultural Heritage

It is advised that under section 23 of the *Aboriginal Cultural Heritage Act 2003*, a person who carries out an activity must take all reasonable and practicable measures to ensure the activity does not harm Aboriginal cultural heritage (the "cultural heritage duty of care"). Maximum penalties for breaching the duty of care are listed in the Aboriginal cultural heritage legislation. The information on Aboriginal cultural heritage is available on the Department of Aboriginal and Torres Strait Islander and Partnerships website: www.datsip.qld.gov.au

NOTE 2. General Environmental Duty

General environmental duty under the *Environmental Protection Act 1994* prohibits unlawful environmental nuisance caused by noise, aerosols, particles, dust, ash, fumes, light, odour or smoke beyond the boundaries of the development site during all stages of the development including earthworks, construction and operation.

NOTE 3. General Safety Of Public During Construction

The *Work Health and Safety Act 2011* and *Manual of Uniform Traffic Control Devices* must be complied with in carrying out any construction works, and to ensure safe traffic control and safe public access in respect of works being constructed on a road.

NOTE 4. Property Note (Contingency Plan and Flood Statement)

A complete copy of the Development Approval and any documents conditioned by this development approval (including the Contingency Plan and Flood Statement) must be

given to the proposed purchaser when entering into a contract of sale or to the new registered proprietor upon any transfer of land for this lot.

NOTE 5. Works in Road Reserve Permit

It is advised that a Works in Road Reserve Permit (including a fee for the vehicle crossover and compliant with *Capricorn Municipal Development Guidelines - Standard Drawings*) may be accepted in place of the application for a Development Permit for Operational Works (access works).

NOTE 6. Infrastructure Charges Notice

Council has resolved not to issue an Infrastructure Charges Notice for this development because the new infrastructure charges arising from the development are less than or equal to the credits applicable for the new development.

The following is an extract from the *Planning Act 2016* (Chapter 6)

Appeal rights

229 Appeals to tribunal or P&E Court

- (1) Schedule 1 states—
 - (a) matters that may be appealed to—
 - (i) either a tribunal or the P&E Court; or
 - (ii) only a tribunal; or
 - (iii) only the P&E Court; and
 - (b) the person—
 - (i) who may appeal a matter (the **appellant**); and
 - (ii) who is a respondent in an appeal of the matter; and
 - (iii) who is a co-respondent in an appeal of the matter; and
 - (iv) who may elect to be a co-respondent in an appeal of the matter.
 - (2) An appellant may start an appeal within the appeal period.
 - (3) The **appeal period** is—
 - (a) for an appeal by a building advisory agency—10 business days after a decision notice for the decision is given to the agency or
 - (b) for an appeal against a deemed refusal—at any time after the deemed refusal happens; or
 - (c) for an appeal against a decision of the Minister, under chapter 7, part 4, to register premises or to renew the registration of premises—20 business days after a notice is published under section 269(3)(a) or (4); or
 - (d) for an appeal against an infrastructure charges notice—20 business days after the infrastructure charges notice is given to the person; or
 - (e) for an appeal about a deemed approval of a development application for which a decision notice has not been given—30 business days after the applicant gives the deemed approval notice to the assessment manager; or
 - (f) for any other appeal—20 business days after a notice of the decision for the matter, including an enforcement notice, is given to the person.
- Note—
See the P&E Court Act for the court's power to extend the appeal period.
- (4) Each respondent and co-respondent for an appeal may be heard in the appeal.
 - (5) If an appeal is only about a referral agency's response, the assessment manager may apply to the tribunal or P&E Court to withdraw from the appeal.
 - (6) To remove any doubt, it is declared that an appeal against an infrastructure charges notice must not be about—
 - (a) the adopted charge itself; or
 - (b) for a decision about an offset or refund—
 - (i) the establishment cost of trunk infrastructure identified in a LGIP; or
 - (ii) the cost of infrastructure decided using the method included in the local government's charges resolution.

230 Notice of appeal

- (1) An appellant starts an appeal by lodging, with the registrar of the tribunal or P&E Court, a notice of appeal that—
 - (a) is in the approved form; and
 - (b) succinctly states the grounds of the appeal.
- (2) The notice of appeal must be accompanied by the required fee.
- (3) The appellant or, for an appeal to a tribunal, the registrar must, within the service period, give a copy of the notice of appeal to—

- (a) the respondent for the appeal; and
 - (b) each co-respondent for the appeal; and
 - (c) for an appeal about a development application under schedule 1, table 1, item 1—each principal submitter for the development application; and
 - (d) for an appeal about a change application under schedule 1, table 1, item 2—each principal submitter for the change application; and
 - (e) each person who may elect to become a co-respondent for the appeal, other than an eligible submitter who is not a principal submitter in an appeal under paragraph (c) or (d); and
 - (f) for an appeal to the P&E Court—the chief executive; and
 - (g) for an appeal to a tribunal under another Act—any other person who the registrar considers appropriate.
- (4) The **service period** is—
 - (a) if a submitter or advice agency started the appeal in the P&E Court—2 business days after the appeal is started; or
 - (b) otherwise—10 business days after the appeal is started.
 - (5) A notice of appeal given to a person who may elect to be a co-respondent must state the effect of subsection
 - (6) A person elects to be a co-respondent by filing a notice of election, in the approved form, within 10 business days after the notice of appeal is given to the person.

231 Other appeals

- (1) Subject to this chapter, schedule 1 and the P&E Court Act, unless the Supreme Court decides a decision or other matter under this Act is affected by jurisdictional error, the decision or matter is non-appealable.
- (2) The Judicial Review Act 1991, part 5 applies to the decision or matter to the extent it is affected by jurisdictional error.
- (3) A person who, but for subsection (1) could have made an application under the Judicial Review Act 1991 in relation to the decision or matter, may apply under part 4 of that Act for a statement of reasons in relation to the decision or matter.
- (4) In this section— **decision** includes—
 - (a) conduct engaged in for the purpose of making a decision; and
 - (b) other conduct that relates to the making of a decision; and
 - (c) the making of a decision or the failure to make a decision; and
 - (d) a purported decision; and
 - (e) a deemed refusal.

non-appealable, for a decision or matter, means the decision or matter—

- (a) is final and conclusive; and
- (b) may not be challenged, appealed against, reviewed, quashed, set aside or called into question in any other way under the Judicial Review Act 1991 or otherwise, whether by the Supreme Court, another court, a tribunal or another entity; and
- (c) is not subject to any declaratory, injunctive or other order of the Supreme Court, another court, a tribunal or another entity on any ground.

232 Rules of the P&E Court

- (1) A person who is appealing to the P&E Court must comply with the rules of the court that apply to the appeal.
- (2) However, the P&E Court may hear and decide an appeal even if the person has not complied with rules of the P&E Court.

Schedule 1

Appeals section 229

1 Appeal rights and parties to appeals

- (1) Table 1 states the matters that may be appealed to—(a) the P&E court; or (b) a tribunal.
- (2) However, table 1 applies to a tribunal only if the matter involves—
 - (a) the refusal, or deemed refusal of a development application, for—
 - (i) a material change of use for a classified building; or
 - (ii) operational work associated with building work, a retaining wall, or a tennis court; or
 - (b) a provision of a development approval for—
 - (i) a material change of use for a classified building; or
 - (ii) operational work associated with building work, a retaining wall, or a tennis court; or
 - (c) if a development permit was applied for—the decision to give a preliminary approval for—
 - (i) a material change of use for a classified building; or
 - (ii) operational work associated with building work, a retaining wall, or a tennis court; or
 - (d) a development condition if—
 - (i) the development approval is only for a material change of use that involves the use of a building classified under the Building Code as a class 2 building; and
 - (ii) the building is, or is proposed to be, not more than 3 storeys; and
 - (iii) the proposed development is for not more than 60 sole-occupancy units; or
 - (e) a decision for, or a deemed refusal of, an extension application for a development approval that is only for a material change of use of a classified building; or
 - (f) a decision for, or a deemed refusal of, a change application for a development approval that is only for a material change of use of a classified building; or
 - (g) a matter under this Act, to the extent the matter relates to—
 - (i) the Building Act, other than a matter under that Act that may or must be decided by the Queensland Building and Construction Commission; or
 - (ii) the Plumbing and Drainage Act, part 4 or 5; or
 - (h) a decision to give an enforcement notice in relation to a matter under paragraphs (a) to (g); or
 - (i) a decision to give an infrastructure charges notice; or
 - (j) the refusal, or deemed refusal, of a conversion application; or
 - (k) a matter that, under another Act, may be appealed to the tribunal; or
 - (l) a matter prescribed by regulation.
- (3) Also, table 1 does not apply to a tribunal if the matter involves—
 - (a) for a matter in subsection (2)(a) to (d)—
 - (i) a development approval for which the development application required impact assessment; and
 - (ii) a development approval in relation to which the assessment manager received a properly made submission for the development application; or
 - (b) a provision of a development approval about the identification or inclusion, under a variation approval, of a matter for the development.
- (4) Table 2 states the matters that may be appealed only to the P&E Court.
- (5) Table 3 states the matters that may be appealed only to the tribunal.
- (6) In each table—
 - (a) column 1 states the appellant in the appeal; and
 - (b) column 2 states the respondent in the appeal; and
 - (c) column 3 states the co-respondent (if any) in the appeal; and
 - (d) column 4 states the co-respondents by election (if any) in the appeal.
- (7) If the chief executive receives a notice of appeal under section 230(3)(f), the chief executive may elect to be a co-respondent in the appeal.
