Development Permit for a Material Change of Use for Animal Keeping and Building Works Assessable Against the Planning Scheme for Greyhound Kennels

5. INFRASTRUCTURE CHARGE

Charges Resolution (No. 1) of 2022 for non-residential development applies to the application. An Animal Keeping land use falls within the ambit of the "Other Uses" category under the AICR, for which Council has discretion to decide the applicable infrastructure charges at the time of assessment.

Based on an assessment of the use and the infrastructure demand it is likely to generate, officers have determined that a charge of Low Impact Industry should be applied.

The Infrastructure Charges are as follows:

- (a) A charge of \$26,084.80 for Gross Floor Area being 476 square metres;
- (b) A charge of \$5,212.20 for Impervious Area being 476 square metres (roof area); and
- (c) An Infrastructure Credit of \$3,240.16, made up as follows:
 - (i) \$2,700.54 - Infrastructure Credit applicable for the existing demountable structures (49.28 square metres); and
 - (ii) \$539.61 - Infrastructure Credit applicable for the existing impervious roof area (49.28 square metres).

In accordance with section 3.1 of Charges Resolution (No.1) of 2022, the base charge will be automatically increased using the Producer Price Index (PPI), adjusted according to the three (3) yearly PPI average quarterly percentage change between financial quarters.

The calculations are reflected in the below table:

Column 1 Use Schedule	Column 1A Use	Column 2 Adopted Infrastructure Charge for non-residential development (\$)		Column 3 Calculated Charge
		(a) per m ² of Gross Floor Area (GFA)	(b) per m ² Impervious to Stormwater	
Other Uses	Animal Keeping	Decided by Local Government at time of assessment: <i>Low Impact Industry</i>		
		54.80		\$26,084.80
			10.95	\$5,212.20
Total Base Charge				\$31,297.00
Charge (including PPI)				\$33,866.55
Total Base Credit				\$3,240.15
Credit (including PPI)				\$3,506.17
TOTAL CHARGE				\$30,360.38

No offsets or refunds are applicable for the development.

This charge is subject to automatic increases from when the charges are levied until when they are paid in accordance with section 114 of the *Planning Act 2016* and Council's *Infrastructure Charges Resolution No. 1 of 2022*.

6. WHEN CHARGE IS PAYABLE

The infrastructure charges of **\$30,360.38** must be paid when the change of use happens.

LAPSING OF INFRASTRUCTURE CHARGES NOTICE

This Infrastructure Charges Notice lapses if the development approval to which it pertains ceases to have effect in accordance with section 85 of the *Planning Act 2016*.

7. RIGHTS OF APPEAL

This Decision Notice may be appealed in accordance with the following sections of the PA:
