## 8. RIGHTS OF APPEAL

The rights of an applicant to appeal to a tribunal or the Planning and Environment Court against a decision about a development application are set out in chapter 6, part 1 of the *Planning Act 2016*. For particular applications, there may also be a right to make an application for a declaration by a tribunal (see chapter 6, part 2 of the *Planning Act 2016*).

### Appeal by an applicant

An applicant for a development application may appeal to the Planning and Environment Court against the following:

- the refusal of all or part of the development application
- a provision of the development approval
- the decision to give a preliminary approval when a development permit was applied for
- a deemed refusal of the development application.

An applicant may also have a right to appeal to the Development tribunal. For more information, see schedule 1 of the *Planning Act 2016*.

The timeframes for starting an appeal in the Planning and Environment Court are set out in section 229 of the *Planning Act 2016*.

**Attachment 2** is an extract from the *Planning Act 2016* that sets down the applicant's appeal rights and the appeal rights of a submitter.

## 9. WHEN THE DEVELOPMENT APPROVAL TAKES EFFECT

This development approval takes effect:

- From the time the decision notice is given – if there is no submitter and the applicant does not appeal the decision to the court.

Or

- When the submitter's appeal period ends – if there is a submitter and the applicant does not appeal the decision to the court.

Or

- Subject to the decision of the court, when the appeal is finally decided – if an appeal is made to the court.

### **Attachment 1 – Conditions of the approval**

**Part 1 – Conditions imposed by the assessment manager** [Note: where a condition is imposed about infrastructure under Chapter 4 of the *Planning Act 2016*, the relevant provision of the Act under which this condition was imposed must be specified.]

### **Attachment 2—Extract on appeal rights**

1.0 ADMINISTRATION

- 1.1 The Developer is responsible for ensuring compliance with the conditions of this development approval and the Conditions of the approval by an employee, agent, contractor or invitee of the Developer.
- 1.2 Where these conditions refer to “Council” in relation to requiring Council to approve or to be satisfied as to any matter, or conferring on the Council a function, power or discretion, that role of the Council may be fulfilled in whole or in part by a delegate appointed for that purpose by the Council.
- 1.3 All conditions of this approval must be undertaken and completed to the satisfaction of Council, at no cost to Council.
- 1.4 All conditions, works, or requirements of this approval must be undertaken and completed prior to the commencement of the use, unless otherwise stated.
- 1.5 Infrastructure requirements of this development approval must be contributed to the relevant authorities, where applicable, at no cost to Council, prior to the commencement of the use, unless otherwise stated.
- 1.6 The following further Development Permits must be obtained prior to the commencement of any works associated with their purposes:
- 1.6.1 Operational Works:
- (i) Access and Parking Works.
- 1.7 Unless otherwise stated, all works must be designed, constructed and maintained in accordance with the relevant Council policies, guidelines and standards.
- 1.8 All engineering drawings/specifications, design and construction works must comply with the requirements of the relevant *Australian Standards* and must be approved, supervised and certified by a Registered Professional Engineer of Queensland.

2.0 APPROVED PLANS AND DOCUMENTS

- 2.1 The approved development must be completed and maintained generally in accordance with the approved plans and documents, except where amended by any condition of this development approval:

| <u>Plan/Document Name</u>  | <u>Plan/Document Reference</u> | <u>Dated</u> |
|--|--------------------------------|--------------|
| Proposal Plan for Bulk Store and Existing Features over Lot 68 on RP604012 | 150714-01b                     | 8 July 2015  |

- 2.2 Where there is any conflict between the conditions of this development approval and the details shown on the approved plans and documents, the conditions of this development approval must prevail.
- 2.3 Where conditions require the above plans or documents to be amended, the revised document(s) must be submitted for approval by Council prior to the submission of a Development Application for Operational Works.

### 3.0 ACCESS AND PARKING WORKS

3.1 A Development Permit for Operational Works (access works) must be obtained prior to the commencement of any works on the site.

3.2 All access works must be designed and constructed in accordance with the approved plans (refer to condition 2.1), *Capricorn Municipal Development Guidelines, Australian Standard AS2890 "Parking Facilities"* and the provision of a Development Permit for Operational Works (access and parking works).

3.3 Both the existing access driveways within the road reserve must be concrete paved or asphalted.

3.4 All access, parking and vehicle manoeuvring areas must be constructed and surface treated in accordance with the approved site plan (refer to condition 2.1). All surface treatments must be constructed, operated and maintained in a manner that no significant impact on the amenity of adjoining premises or the surrounding area is caused due to the emission of dust or results in sediment laden water.

Note: If the amenity impacts of the Bulk Store cannot be mitigated or the vehicle movements exceed the ones stated in this approval, the access, parking and vehicle manoeuvring areas must be sealed to Council's satisfaction.

3.5 The vehicle movements associated with the Bulk Store must not exceed thirty-two (32) truck movements per week where one truck leaving the site and returning to the site equals two (2) movements.

3.6 All vehicles must ingress and egress the development in a forward gear.

### 4.0 STORMWATER WORKS

4.1 All stormwater must drain to a demonstrated lawful point of discharge and must not adversely affect adjoining land or infrastructure in comparison to the pre-development condition by way of blocking, altering or diverting existing stormwater runoff patterns or have the potential to cause damage to other infrastructure.

### 5.0 SITE WORKS

5.1 All earthworks must be undertaken in accordance with *Australian Standard AS3798 "Guidelines on earthworks for commercial and residential developments"*.

5.2 Site works must be constructed such that they do not, at any time, in any way restrict, impair or change the natural flow of runoff water, or cause a nuisance or worsening to adjoining properties or infrastructure.

### 6.0 ASSET MANAGEMENT

6.1 Any alteration necessary to electricity, telephone, water mains, sewerage mains, and/or public utility installations resulting from the development or in connection with the development, must be at full cost to the Developer.

6.2 Any damage to existing kerb and channel, pathway or roadway (including removal of concrete slurry from public land, pathway, roads, kerb and channel and stormwater gullies and drainage lines) which may occur during any works carried out in association with the approved development must be repaired. This must include the reinstatement of the existing traffic signs and pavement markings which may have been removed.

### 7.0 ENVIRONMENTAL

7.1 An Erosion Control and Stormwater Control Management Plan must be implemented, monitored and maintained on-site for the duration of the works, and until all exposed soil areas are permanently stabilised (for example: turfed, hydromulched, concreted, landscaped). The prepared Erosion Control and Stormwater Control Management Plan must be available on-site for inspection by Council Officers during those works.

## 8.0 OPERATING PROCEDURES

- 8.1 All construction materials, waste, waste skips, machinery and contractors' vehicles must be located and stored or parked within the site. No storage of materials, parking of construction machinery or contractors' vehicles will be permitted on Douglas Street.
- 8.2 Operations associated with the Bulk Store must have no significant impact on the amenity of adjoining premises or the surrounding area due to the emission of light, noise or dust.
- 8.3 When requested by Council, nuisance monitoring must be undertaken and recorded within three (3) months, to investigate any genuine complaint of nuisance caused by noise, light or dust. An analysis of the monitoring data and a report, including nuisance mitigation measures, must be provided to Council within fourteen (14) days of the completion of the investigation.
- 8.4 Where un-sealed surface treatments are utilised in access, parking and vehicle manoeuvring areas, contaminants such as oils or chemicals must not be released onto the surface treatment.
- 8.5 All surface treatments must be operated and maintained in a manner that no significant impact on the amenity of adjoining premises or the surrounding area is caused due to the emission of dust or result in sediment laden water.
- 8.6 No contaminants are permitted to be released to land or water, including soil, silt, oils, detergents, etcetera. Any wash down areas used for the maintenance or cleaning of equipment (including vehicles) must be conducted in an approved, appropriately bunded areas drained to the sewer network in accordance with a trade waste permit.
- 8.7 Noise from the activity must not cause an environmental nuisance.
- 8.8 When requested by Council, noise monitoring must be undertaken and recorded within three (3) months, to investigate any complaint of nuisance caused by noise. The monitoring data, an analysis of the data and a report, including noise mitigation measures, must be provided to Council within fourteen (14) days of the completion of the investigation.

Note: If the amenity impacts cannot be mitigated, the area must be sealed to Council's satisfaction.

Noise measurements must be compared with the acoustic quality objectives specified in the most recent edition of the Environmental Protection (Noise) Policy.

## ADVISORY NOTES

### NOTE 1. Aboriginal Cultural Heritage

It is advised that under section 23 of the *Aboriginal Cultural Heritage Act 2003*, a person who carries out an activity must take all reasonable and practicable measures to ensure the activity does not harm Aboriginal Cultural Heritage (the "cultural heritage duty of care"). Maximum penalties for breaching the duty of care are listed in the Aboriginal Cultural Heritage legislation. The information on Aboriginal Cultural Heritage is available on the Department of Aboriginal and Torres Strait Islander and Multicultural Affairs website: [www.datsima.qld.gov.au](http://www.datsima.qld.gov.au).

### NOTE 2. General Environmental Duty

General environmental duty under the *Environmental Protection Act* prohibits unlawful environmental nuisance caused by noise, aerosols, particles, dust, ash, fumes, light, odour or smoke beyond the boundaries of the property during all stages of the development including earthworks, construction and operation.

### NOTE 3. General Safety Of Public During Construction

The *Work Health and Safety Act* and *Manual of Uniform Traffic Control Devices* must be complied with in carrying out any construction works, and to ensure safe traffic control and safe public access in respect of works being constructed on a road.

NOTE 4. Infrastructure Charges Notice

This application is subject to infrastructure contributions in accordance with Council policies. The charges are presented on an Infrastructure Charges Notice.

The following is an extract from the *Planning Act 2016* (Chapter 6)

### Appeal rights

#### 229 Appeals to tribunal or P&E Court

- (1) Schedule 1 states—
  - (a) matters that may be appealed to—
    - (i) either a tribunal or the P&E Court; or
    - (ii) only a tribunal; or
    - (iii) only the P&E Court; and
  - (b) the person—
    - (i) who may appeal a matter (the **appellant**); and
    - (ii) who is a respondent in an appeal of the matter; and
    - (iii) who is a co-respondent in an appeal of the matter; and
    - (iv) who may elect to be a co-respondent in an appeal of the matter.
- (2) An appellant may start an appeal within the appeal period.
- (3) The **appeal period** is—
  - (a) for an appeal by a building advisory agency—10 business days after a decision notice for the decision is given to the agency or
  - (b) for an appeal against a deemed refusal—at any time after the deemed refusal happens; or
  - (c) for an appeal against a decision of the Minister, under chapter 7, part 4, to register premises or to renew the registration of premises—20 business days after a notice is published under section 269(3)(a) or (4); or
  - (d) for an appeal against an infrastructure charges notice—20 business days after the infrastructure charges notice is given to the person; or
  - (e) for an appeal about a deemed approval of a development application for which a decision notice has not been given—30 business days after the applicant gives the deemed approval notice to the assessment manager; or
  - (f) for any other appeal—20 business days after a notice of the decision for the matter, including an enforcement notice, is given to the person.

#### Note—

See the P&E Court Act for the court's power to extend the appeal period.

- (4) Each respondent and co-respondent for an appeal may be heard in the appeal.
- (5) If an appeal is only about a referral agency's response, the assessment manager may apply to the tribunal or P&E Court to withdraw from the appeal.
- (6) To remove any doubt, it is declared that an appeal against an infrastructure charges notice must not be about—
  - (a) the adopted charge itself; or
  - (b) for a decision about an offset or refund—
    - (i) the establishment cost of trunk infrastructure identified in a LGIP; or
    - (ii) the cost of infrastructure decided using the method included in the local government's charges resolution.

#### 230 Notice of appeal

- (1) An appellant starts an appeal by lodging, with the registrar of the tribunal or P&E Court, a notice of appeal that—
  - (a) is in the approved form; and
  - (b) succinctly states the grounds of the appeal.
- (2) The notice of appeal must be accompanied by the required fee.
- (3) The appellant or, for an appeal to a tribunal, the registrar must, within the service period, give a copy of the notice of appeal to—
  - (a) the respondent for the appeal; and
  - (b) each co-respondent for the appeal; and

- (c) for an appeal about a development application under schedule 1, table 1, item 1—each principal submitter for the development application; and
  - (d) for an appeal about a change application under schedule 1, table 1, item 2—each principal submitter for the change application; and
  - (e) each person who may elect to become a co-respondent for the appeal, other than an eligible submitter who is not a principal submitter in an appeal under paragraph (c) or (d); and
  - (f) for an appeal to the P&E Court—the chief executive; and
  - (g) for an appeal to a tribunal under another Act—any other person who the registrar considers appropriate.
- (4) The **service period** is—
    - (a) if a submitter or advice agency started the appeal in the P&E Court—2 business days after the appeal is started; or
    - (b) otherwise—10 business days after the appeal is started.
  - (5) A notice of appeal given to a person who may elect to be a co-respondent must state the effect of subsection
  - (6) A person elects to be a co-respondent by filing a notice of election, in the approved form, within 10 business days after the notice of appeal is given to the person.

#### 231 Other appeals

- (1) Subject to this chapter, schedule 1 and the P&E Court Act, unless the Supreme Court decides a decision or other matter under this Act is affected by jurisdictional error, the decision or matter is non-appealable.
- (2) The Judicial Review Act 1991, part 5 applies to the decision or matter to the extent it is affected by jurisdictional error.
- (3) A person who, but for subsection (1) could have made an application under the Judicial Review Act 1991 in relation to the decision or matter, may apply under part 4 of that Act for a statement of reasons in relation to the decision or matter.
- (4) In this section— **decision** includes—
  - (a) conduct engaged in for the purpose of making a decision; and
  - (b) other conduct that relates to the making of a decision; and
  - (c) the making of a decision or the failure to make a decision; and
  - (d) a purported decision; and
  - (e) a deemed refusal.

**non-appealable**, for a decision or matter, means the decision or matter—

- (a) is final and conclusive; and
- (b) may not be challenged, appealed against, reviewed, quashed, set aside or called into question in any other way under the Judicial Review Act 1991 or otherwise, whether by the Supreme Court, another court, a tribunal or another entity; and
- (c) is not subject to any declaratory, injunctive or other order of the Supreme Court, another court, a tribunal or another entity on any ground.

#### 232 Rules of the P&E Court

- (1) A person who is appealing to the P&E Court must comply with the rules of the court that apply to the appeal.
- (2) However, the P&E Court may hear and decide an appeal even if the person has not complied with rules of the P&E Court.

**Schedule 1**

**Appeals section 229**

**1 Appeal rights and parties to appeals**

- (1) Table 1 states the matters that may be appealed to—(a) the P&E court; or (b) a tribunal.
- (2) However, table 1 applies to a tribunal only if the matter involves—
- (a) the refusal, or deemed refusal of a development application, for—
    - (i) a material change of use for a classified building; or
    - (ii) operational work associated with building work, a retaining wall, or a tennis court; or
  - (b) a provision of a development approval for—
    - (i) a material change of use for a classified building; or
  - (ii) operational work associated with building work, a retaining wall, or a tennis court; or
  - (c) if a development permit was applied for—the decision to give a preliminary approval for—
    - (i) a material change of use for a classified building; or
    - (ii) operational work associated with building work, a retaining wall, or a tennis court; or
  - (d) a development condition if—
    - (i) the development approval is only for a material change of use that involves the use of a building classified under the Building Code as a class 2 building; and
    - (ii) the building is, or is proposed to be, not more than 3 storeys; and
    - (iii) the proposed development is for not more than 60 sole-occupancy units; or
  - (e) a decision for, or a deemed refusal of, an extension application for a development approval that is only for a material change of use of a classified building; or
  - (f) a decision for, or a deemed refusal of, a change application for a development approval that is only for a material change of use of a classified building; or
  - (g) a matter under this Act, to the extent the matter relates to—
    - (i) the Building Act, other than a matter under that Act that may or must be decided by the Queensland Building and Construction Commission; or
    - (ii) the Plumbing and Drainage Act, part 4 or 5; or
  - (h) a decision to give an enforcement notice in relation to a matter under paragraphs (a) to (g); or
  - (i) a decision to give an infrastructure charges notice; or
  - (j) the refusal, or deemed refusal, of a conversion application; or
  - (k) a matter that, under another Act, may be appealed to the tribunal; or
  - (l) a matter prescribed by regulation.
- (3) Also, table 1 does not apply to a tribunal if the matter involves—
- (a) for a matter in subsection (2)(a) to (d)—
    - (i) a development approval for which the development application required impact assessment; and
    - (ii) a development approval in relation to which the assessment manager received a properly made submission for the development application; or
  - (b) a provision of a development approval about the identification or inclusion, under a variation approval, of a matter for the development.
- (4) Table 2 states the matters that may be appealed only to the P&E Court.
- (5) Table 3 states the matters that may be appealed only to the tribunal.
- (6) In each table—
- (a) column 1 states the appellant in the appeal; and
  - (b) column 2 states the respondent in the appeal; and
  - (c) column 3 states the co-respondent (if any) in the appeal; and
  - (d) column 4 states the co-respondents by election (if any) in the appeal.
- (7) If the chief executive receives a notice of appeal under section 230(3)(f), the chief executive may elect to be a co-respondent in the appeal.
