

2023-24 BUDGET

Focusing on needs. Delivering for the future.

\$29+M for essential water and sewage projects including:

- Gracemere and South Rockhampton Sewage Treatment Plant upgrades
- Glenmore Water Treatment Plant upgrade
- North Rockhampton Sewage Treatment Plant augmentation

\$21.94M in road renewals and upgrades

\$7M investment in economic development, tourism and events

\$5.7M on upgrades for parks, gardens and community facilities

\$5.42M invested in the Mount Morgan pool redevelopment

What we are doing

- Over \$1.95 million in rating concessions to pensioners, community groups, and sporting clubs
- Maintaining the 10% early payment discount
- Multiple rounds of the Community Assistance Program in 2023/24

What you can do

To avoid paying a lump sum at rates time, pre-pay your future rates bill via BPAY weekly, fortnightly or monthly – you choose the most convenient option for you and your family.

For more information or to find out how to set up pre-payments, contact Council on 4932 9000 or visit www.rrc.qld.gov.au > **About Council** > **Finance, Rates and Budget** > **Rates**

How to simplify your bills process

Sign up to e-notices today to receive your rates, water or animal registration direct to your email inbox.

You will receive your rates notice as soon as it is sent out and won't have to worry about waiting for it to arrive in the mail.

Going paperless makes it easier and more convenient for you to manage your payments, helps save paper and reduces waste.
