Cemetery Memorial Guide

Frequently Asked Questions

Who can order a plaque or memorial?

Anyone can order a plaque or memorial provided they have completed the Plaque/Memorial Request Form and have the written and signed permission from the holder of burial rights. An application using the Monumental Permit Application Form (including payment of the fee) may also be required for graves/sites in the Monumental Cemeteries. If the Holder of Burial Rights is deceased or there are multiple holders, additional evidence or consents may be required. Please contact Council before lodging the request form.

What extra features can I add to my plaque/memorial?

There are a variety of extra features available to personalise your plaque/memorial.

- **Photos** – Many people choose to add a photograph of their loved one to the plaque/memorial. In order to do this, we require an original photo or a very clear copy which we scan and return to you. Alternatively, we will also accept a photo via email or USB stick providing the photo has been scanned as a .JPEG file. Backgrounds, etc can be altered or changed if required.
- **Emblems** – There are over 100 different emblems to choose from covering a wide range of subjects. Each emblem is a gold outline of the subject, which can be filled in with colour. For example, a gold rose emblem can be filled with red to make it a red rose with a gold outline. Emblems can also be sized to suit the size of the plaque and the space available.
- **Borders** – All plaques are made with a standard gold border, however this can be changed for one of over 20 other designs.

What happens after I have completed my Plaque/Memorial Request Form?

Once we have received your request, we will organise a proof of your plaque to be made. This will be forwarded to you for checking. Once any changes to the proof have been made and you are happy with the final proof, you will need to sign and date the proof and forward it to us for processing.

When do I pay for my plaque or memorial?

A quote for all memorialisation fees will be forwarded to you along with the plaque proof once it arrives. This will be converted to an invoice upon receipt of your signed proof.

In all circumstances, full payment must be made before any work will commence on your order.

How should I pay for my plaque/memorial?

Payment can be made at the Memorial Gardens administration office, any Customer Service Centre, by mail or by telephone.

How long will it take for my plaque/memorial to be made?

Once we have received your signed, dated and approved proof and full payment has been made, your plaque will take approximately 4 – 6 weeks to arrive.

What happens once my plaque/memorial has arrived?

We will contact you once your plaque/memorial has arrived. We will then endeavour to place it as soon as is practical. This is usually done within a few days of us receiving your plaque/memorial, but we ask that you allow a week. We will also contact you once your plaque/memorial has been placed.

Can I install my own plaque/memorial?

All plaques and memorials, including beams and grave covers, should be installed by a qualified monumental mason or other appropriately qualified contractor with suitable insurance or by Council. All monumental works must comply with Council requirements and relevant Australian Standards (where applicable). Unapproved or non-compliant memorial works may be refused or removed.

When can I install a memorial on a grave?

- **Monumental cemeteries** – Grave covers/surrounds or beams may be installed on the grave 12 months after the burial to allow Council to manage ground subsidence.
- **Lawn cemeteries** – Markers and plaques may be installed on the beam at any time after the burial.

Can I place artificial flowers, vases, trinkets etc on a memorial?

- **Memorial Gardens** – Fresh or dried flowers can be placed in Council-supplied vases on crypts or within the allocated ashes garden plot, or in vases attached to plaques on a granite columbarium.
- **Lawn and monumental cemeteries** – Fresh, dried or limited artificial flowers are welcome tributes. These are to be placed **on the beam only (in Lawn cemeteries)** and must not encroach on another memorial.

Are there any items that I can't place on a memorial?

For safety reasons, the following are **not permitted in any cemetery**:

- Glass, china, ceramic or other breakable ornaments or receptacles
- Wind chimes, windmill ornaments, solar or battery powered lights or ornaments
- Stuffed toys
- Balloons
- Any items that will rust
- Any broken and/or disintegrated items
- Any items with hooks, spikes or sharp edges
- Any items spiked into the ground
- Pot plants
- Any item placed or hung on trees, shrubs or plants
- Any item placed or planted on the lawn areas and pathways

Any memorialisation found not conforming to these guidelines will be removed.

If you are unsure about the above non-conforming items, please contact Council.
