COMMITTEE RECOMMENDATION

THAT Council be provided details of all the current Community Service Obligations payable to its commercialised business units.

Moved by: Councillor Swadling
Seconded by: Councillor Fisher

MOTION CARRIED UNANIMOUSLY

**8.5 PIGGY BACK EXPANSION OF THE LAKES CREEK ROAD LANDFILL PROJECT
UPDATE AND CONCEPT**

File No: 12276
Attachments: Nil
Authorising Officer: Peter Kofod - General Manager Regional Services
Author: Craig Dunglison - Manager RRWR

SUMMARY

The majority of Rockhampton Regional Council's (RRC) waste is disposed of at the Lakes Creek Road (LCR) Landfill. As the LCR Landfill is approaching the approved regulatory capacity, Council investigated various alternative options in the region for the disposal of waste. However with the development of new liner materials, the vertical expansion of LCR landfill became a viable option and in 2015 Council resolved to proceed with the development of new landfill cells to allow for the vertical expansion of the existing LCR Landfill, hereafter referred to as LCR Piggy Back Project. One of the objectives of the project is to provide a facility that would be able to accept waste for at least the next 20 years.

Council engaged Golder Associates Pty Ltd to develop:

- an overall landfill concept plan;*
- detail design for the first cell, Cell A;*
- construction tender documents.*

Golder has delivered the first draft of the concept and detail design documents and the purpose of this report is to provide Councillors with an overview of the concept

COMMITTEE RECOMMENDATION

THAT the report be received for Council's information.

Moved by: Councillor Rutherford

Seconded by: Councillor Wickerson

MOTION CARRIED

9 NOTICES OF MOTION
