Supporting Documentation

Please remember to provide the following supporting documentation when submitting this form:

- Alternative documentation to verify tenancy (for example, drivers licence or utility notice).
- Receipt showing details of the product purchased (receipt name and address must match the name and installation address on this application form).
- Product specifications.
- For an integrated tank rebate to be approved, a completed Notifiable Work Form 4/4A, section 83, *Plumbing and Drainage Act 2018* is required.
- For a dual flush toilet (cistern and pan) rebate to be approved, the proof of installation by a licensed plumber is required.

Declaration

I submit this form with the relevant supporting documentation as required and declare the details are correct to the best of my ability. I have read and agree to the Terms and Conditions listed in the Residential Rebate for Water Efficient Products Factsheet.

FACT SHEET

Residential Rebate for Water Efficient Products

Terms and Conditions

- (a) Delivery and installation charges of water efficient products can be included as part of the total purchase price.
- (b) Council may contact rebate recipients to conduct research about the water efficient products purchased.
- (c) Rebates are processed as a direct debit in accordance with the payment details provided on the Residential Rebate for Water Efficient Products Application Form.
- (d) Council reserves the right, at its sole discretion and at any time, to change any or all of the terms and conditions for the rebate scheme or to cancel the rebate scheme.
- (e) The applicant/s acknowledges and agrees that as far as the law permits, Council accepts no liability in respect of any claim, cause of action or loss or damage arising out of or in relation to, any rainwater tank system, the consumption of any water from such rainwater system or other water efficient products subject to this rebate scheme.
- (f) The applicant/s agrees that they will indemnify and keep indemnified Council from any claim or liability arising out of or in relation to any rainwater tank system, the consumption of any water from such rainwater tank system or other water efficient products subject to this rebate scheme and application to the extent that any claim or liability is not caused by Council negligence or breach of this application, or any other term implied by law.
